

## DIRECTORS TO MEET FRIDAY IN LITTLESTOWN

The proposal to divide Pennsylvania into regional school service areas will be up for consideration at morning and afternoon sessions of the 66th annual convention of the Adams County School Directors' Association to be held Friday at Rolling Acres Elementary School at Littlestown.

A half hour talk on the subject is scheduled for the morning session by Reeder L. Eshleman, assistant superintendent of schools in Lancaster County. Mr. Eshleman will conduct a question-and-answer period in the afternoon on the same topic.

Registration of directors Friday morning will begin at 9:30 o'clock and at 9:45 a.m. the Littlestown High School band under the direction of Paul A. Harner will present a 20-minute concert. With William M. Lott, York Springs, a member of the county board presiding, the address of welcome will be given by Paul E. King, supervising principal of the host school. Devotions will be conducted by the Rev. Porter W. Seiwel, pastor of Redeemer's Evangelical and Reformed Church, Littlestown.

**Business In Afternoon**  
After a hymn, the salute to the flag and announcements, Mr. Eshleman will speak. The concluding talk at the morning meeting will be by Roy R. Zimmerman, Englewood, N. J., retired superintendent of the schools of Bergen County, N. J.

The directors will dine at noon in the Littlestown High School cafeteria with J. Faber Wildasin, also a county board member, presiding. Guests will be introduced.

Luther M. Lavy, county board president, will preside at the afternoon session. There will be a film on "School Boards in Action" and the annual business session is set for 7:30 o'clock. There will be reports of delegates to the state convention, the report of the nominating committee offering candidates for election as auditors and delegates will be presented and the report of the resolutions committee will be presented. The treasurer will present a report and the results of the election will be announced.

## ANNIE DANNER CLUB TO GIVE PARTY AT HOME

Plans for the annual Christmas party to be held for the residents of the Women's Division of the Adams County Home December 21 were outlined Tuesday evening at a meeting of the Annie Danner Club at the YWCA.

All presents to be given the county home guests, except fruit, are to be brought to a special meeting of the club next Tuesday evening at 8 o'clock at the YWCA at which time the gifts will be wrapped and packaged. The club will also elect officers at that time.

Mrs. Edith Baker, president, asked the members to provide at least one dozen cookies each to be given to the Red Cross for shipment to servicemen. The cookies are to be brought to the YWCA by December 13.

The club voted to hold its annual Christmas party December 18 at the YWCA when the members will exchange 81 Christmas gifts. Committees for the party named were: Arlene Murray, Mildred Shover, Lotie Harmon and Martha Lentz; decorations, (Continued on Page 2)

**SELL DECORATIONS**  
Handmade Christmas door decorations of weatherproofed domestic greens will be on sale in Lincoln Square Saturday. Conducted by members of the Gettysburg Kiwanis Club the proceeds will be used for welfare work in the county. Decorations may also be purchased by calling Gettysburg 1514.

## Defiant Hungarians Call Another General Strike; Resent Russian Brutality

VIENNA, Austria (AP)—Turbulent Hungary, still protesting in the face of Soviet military might, today was under a call for another general strike.

A tense air of expectation was reported in Budapest after two days of fresh demonstrations, but there was no immediate sign of what the response would be to the strike appeal. The plea was spread through posters and leaflets.

Many people in the Hungarian capital believed harsh measures used by Soviet troops against the demonstrators during the past two days might spur a resumption of a general walkout.

Some Budapest demonstrators again demanded a "national uprising, but more conservative quarters there thought a resump-

## Christmas Dinner For 40-8 On Sunday

The annual Christmas dinner for members of the "40 and 8" will be held at the organization's chateau in South Mountains Sunday afternoon, December 16. Correspondent Harry D. Ridinger announced today.

Dinner will be served from 2 to 6 p.m. at the chateau with Richard M. Cole as chef. Members have been sent notices Ridinger said and are asked to notify the correspondent if they intend to be present so that sufficient food may be prepared.

## GOP Expenses Are Filed In State Capital

Adams County Democrats can easily find out what their party spent during the last year, by studying the expense account filed in the courthouse, but the Republicans, if they want to know what was done with their money will have to go to Harrisburg.

County Republican Chairman William I. Shields said he had consulted the state election board and had been told that the expense account in state and national election years should be filed in Harrisburg and accounts are to be filed in the county only during years of local elections. He said the Adams County Republican committee expense account had been filed at Harrisburg Tuesday.

John W. Hewitt, treasurer of the county Republican party said he had filed the account in Harrisburg at the direction of Shields. He told The Gettysburg Times he had retained a copy of the account but would not show it to anyone unless Shields authorized it.

Shields told The Gettysburg Times this noon that if anybody wanted to see the expense account they will have to go to Harrisburg.

## Veteran Added To Post Office Staff

One of Adams County's most decorated World War II veterans has been named a substitute clerk at the local post office.

Harold E. Hess, 33 Gettysburg R. 3, who once saved an American tank and on another occasion, in Belgium, wiped out six tanks to halt a German column, began his new duties on Saturday.

A graduate of Gettysburg High School with the class of 1941, Hess served 2½ years in the armed forces, most of the time with the Second Armored Division in Europe. As a corporal tank commander he took part in seven major battles of the European war. He won the Silver Star for gallantry in action when his machine gunning saved a tank and its crew during the German break through at St. Lo. He received the bronze star when he destroyed the six tanks in one German column in Belgium. Wounded, he also received the Purple Heart and numerous other American and Belgian decorations.

Until his appointment as substitute clerk here, beginning Saturday, he was employed as a combination welder at Letterkenny for a number of years.

**HOSPITAL REPORT**  
Admissions: John Weaver, Hanover R. 1; Mrs. Kenneth Ecker, Taneytown R. 2.  
Discharges: Mrs. Mildred Sanders, R. 1; Mrs. Robert Baumgardner, Fairfield R. 2; Mrs. James Kiger and infant son, Emmitsburg R. 2; Mrs. Harold Krichten and infant daughter, Littlestown R. 1.

**SUES FOR DIVORCE**  
Richard Arvin Shreve, Biglerville R. 1, has filed suit for divorce from Gertrude (Gollythy) Shreve, Wilkes-Barre, on grounds of infidelity according to papers filed with the county prothonotary. The couple wed in 1951.

## LIST POLLING PLACES FOR FARMER VOTE

Sites where approximately 2,400 Adams County farmers will be able to cast their votes in the corn referendum next Tuesday were announced today by Roy A. Weaver, chairman of the Adams County Agricultural Stabilization and Conservation Committee.

The polls will be open from 8 o'clock Tuesday morning until 7 o'clock Tuesday evening. After the tallies are counted in each district they will be turned in to the county office on York St. where the county total will be compiled.

Farmers in the Fairfield District, Hamilton, Liberty, Highland and Freedom Twp., will vote at the old high school building in Fairfield. The Gettysburg district, Mt. Joy, Cumberland and Strasburg Twp., will vote at the ASC office, 146 York St., Littlestown district, Union, Germany and Conewago Twp., will vote in the Brushtown fire hall, the former Brushtown school building, New Oxford district, Mt. Pleasant, Oxford, Berwick and Hamilton Twp., will vote at the Farm Bureau Cooperative building at New Oxford; York Springs district, Reading, Tyrone, Huntingdon and Latimore Twp., will vote at the York Springs High School building. The Biglerville district, Butler, Menallen and Franklin Twp., will vote at O. C. Rice and Son, Biglerville.

In their vote the farmers will decide whether they favor the use of a soil bank program of corn base acreages for the 1957 and later crops, or whether they prefer to continue the acreage allotments as has been the custom for the last number of years. At least two-thirds of all voters must vote for the soil bank program before it can go into effect. If the soil bank program is adopted a 51,000,000 acre base is used, but supports will be slightly lower and some of the land must go into the soil bank. If the allotment plan is retained the base acreage will be slightly over 37,000,000 acres and support prices will be slightly higher.

## VETS' GROUP PLANS ELECTION

Election of officers for the Home Association of St. Joseph's Post 1342 Catholic War Veterans, Bonneauville, will take place next Monday evening at 8 o'clock at a meeting in the post home, Edward F. Smith, post adjutant, announced today.

## Syrians Observe Christmas December 2 To January 6

Syrian Christmas folklore comes from St. Barbara's Day, the memory of the dead, the resurrection of the soul and restoration of life. Generosity and help to the poor at this season seem to be the keywords. New Year's is a time when the Syrians expend themselves rejoicing.

The Christmas celebration begins December 4, St. Barbara's Day, and continues until Epiphany, January 6. A feast is set in honor of the saint consisting of a table of sweetsmeats prepared from nuts, sugar, honey and wheat, the latter in memory of the dead and significant of the resurrection of the soul.

**Gifts For Poor**  
Lessons of unselfishness and thoughtfulness for others are taught to the small Syrian children on St. Barbara's Eve. It is the custom for a prosperous family to provide the holiday celebration for several households where sorrow or poverty makes

The pallbearers were Charles Reimick, Dr. J. W. Stayman, William Liller, Peter Baughman, Dakin Moorehouse Jr. and Prof. Herbert Hamme.

## "RICK" CODORI IS IMPROVING SATISFACTORILY

Richard C. "Rick" Codori, 23-year-old son of Mr. and Mrs. Richard S. Codori, N. Stratton St., is progressing satisfactorily at the University of Pennsylvania Hospital, Philadelphia, and the attending surgeons and physicians report that they are "pleased" and that he is "on the road to recovery." He may spend Christmas at his home here.

The local youth was admitted to the hospital in November for what was considered a routine checkup and minor surgery. An emergency developed and his life was feared for. He was given "twelve hours to live" at one critical stage. Nineteen pints of blood were used in blood transfusions and he was given deep freeze treatment.

An appeal for blood donations here met an overwhelming response from countians and the student body at Gettysburg College. Thirty-five pints were asked for to replenish the hospital's supply. Two local fraternities offered to furnish the entire amount.

After several conferences with hospital and fraternity officials it was decided that young Codori's fraternity brothers would furnish the required amount. Twenty-five pints will be furnished by the Penn State Theta Chi fraternity members. Codori's chapter, and ten pints will be furnished by ten fraternity brothers at the University of Pennsylvania.

Mr. and Mrs. Codori today asked The Times to publicly express their "most grateful thanks and heartfelt appreciation to all those who volunteered to donate blood for our son. Such a generous response from the town and county residents and the students at Gettysburg College has completely overwhelmed us. We are also grateful to the local Red Cross Chapter for its fine cooperation. Again we say thanks."

## SHOOTS BUCK BEFORE SCHOOL

Robert McGlaughlin, 15, a Gettysburg High School student and son of Mr. and Mrs. Curtin McGlaughlin, Gettysburg R. 1, shot a four-point, 125-pound buck Wednesday morning. The youthful hunter killed the animal about 100 yards from his father's grocery store south of here, when he "went out just to look around" before leaving for school Wednesday morning.

Chester Plank, Gettysburg R. 4, near Heidlersburg, has returned from a deer hunting trip to Potter County where he killed a large spike buck at 7:45 o'clock Monday morning.

Raymond Creeger, 507 York St., shot a six-point buck in Horse Valley, near Letterkenny, Monday morning at 7 o'clock.

Bernard V. Miller, Gettysburg R. 1, shot an eight point, 150-pound buck Tuesday on the Rosensteel land, near Big Round Top.

Frank Sager, York Springs, shot a six-point, 140-pound buck in Hardy County, Mathias, W. Va., Wednesday afternoon. Mr. Sager, a native of Mathias, arrived home today after spending several days at the Watershed Hunting Club, Mathias. He was accompanied by his father-in-law, George Myers, also from York Springs.

Luther Schwartz and J. Rex Evans, both of Gettysburg R. 1, shot two six-point bucks Monday afternoon in Mt. Joy Twp.

Chester Chapman, Fairfield R. 2, shot a spike buck Monday at White Rock near Green Ridge while hunting with his brother-in-law, Ralph Stanley, York.

Kenneth Patterson, Iron Springs, while hunting with his nephew, Donald Chapman, Orrtanna R. D., shot a seven-point buck Monday near Iron Springs.

## COLLEGE CHOIR GIVES CONCERT TWO EVENINGS

Sunday evening's concert at 8:30 o'clock will be broadcast by WGET direct from Christ Chapel for the third consecutive season. The broadcast is sponsored by The Gettysburg Times, as was done in the two previous years.

The complete program was announced today for the annual Christmas musical to be presented by the 60-voice Gettysburg College Choir in Christ Chapel on the campus Saturday and Sunday evenings.

Saturday evening's program will be given at 7:30 o'clock and on Sunday evening the hour will be 8:30 o'clock.

The choir will be singing under the direction of Prof. Parker B. Wagnild.

The program will be the same each evening and will begin with an organ prelude by Miss Lois Kadel, chapel organist, including "Two Christmas Hymns" by Gullmunt; "Communion on a Noel," by Hure and "Gesu Bambino" by Yon.

## Choir Selections

The opening selections by the choir will be "Hodie Christus Natus Est" by Palestrina and "O Wonder Ineffable" by Vittoria. The Madrigal Choir will sing "A Babe Holds Court in Bethlehem" by Tatton; "Lo, How a Rose Ere Blooming," traditional, and "Joyous Christmas," a Danish carol.

Miss Joanne Banks will sing Adam's "O Holy Night" as a solo with violin obligato by Clyde Mummet. Then the choir will sing "What Wondrous Love Is This," a Southern folk melody with a solo part by George Williams.

The final group of selections by the choir will include: "Christmas Canticle," by Satern with a duet by Misses Maude Russell and Nancy Schneider; "O Sing Ye, Merrily," by Mendelssohn; "Away in a Manger," traditional, with solo by Miss Florence Duckworth; "Wake, Awake for Night Is Flying," by Philip Nicolai, and finally, the carol, "Silent Night, Holy Night."

The postlude will be "Fanfare in D" by Bridge.

Local members of the choir will include Miss Helen Barley, daughter of Mr. and Mrs. Ralph Barley; Miss Joyce Kendeheart, daughter of Mr. and Mrs. J. William Kendeheart Jr.; Miss Signe Wagnild, daughter of Director and Mrs. Wagnild and Nelson Zapf of 74 Springs Ave.

## Garber Is Elected By Lower Adams Bd.

Clyde O. Garber, New Oxford R. 1, Hamilton Twp. school director and maintenance superintendent for the State Department of Highways in Adams County, was elected president of the board of directors of the Lower Adams Joint School District at the annual re-organization meeting held Wednesday evening at the elementary school building in New Oxford.

Mr. Garber succeeds Harry C. Brinton, Hanover R. 5, who has been president of that jointure since it was formed. Mr. Garber was advanced to the presidency from the position of vice president.

Clyde Wagner of Berwick Twp., was chosen as vice president to succeed Mr. Garber.

Otherwise only routine matters came before the board.

## BOY SCOUTS WILL PROMOTE TREE PLANTING

The Black Walnut Boy Scout District will again promote the planting of trees as part of the conservation work of scouting. Sebastian R. Hafer, district commissioner, reported Wednesday evening at a meeting of the district committee at the engine house.

As in previous years the Scouts will seek to interest farmers and others in planting free seedlings, which can be obtained through a state-industry arrangement in lots of 1,000 seedlings or more. A mechanical planter can be obtained where 10,000 seedlings or more are to be planted, Hafer said. In other years between 150,000 to 300,000 trees have been planted in the county.

The trees to be planted will be evergreens and the persons agreeing to plant them obtain them free on the promise they will take certain care of them over the years.

## Plan Memorial Grove

In connection with the conservation program the vice chairman, Dr. Frederick Tilberg, who presided at the meeting, appointed a committee comprising District Commissioner Hafer, G. Henry Roth and Dr. Joseph H. Riley to determine the possibility of planting a scout memorial grove somewhere within the Black Walnut District area.

Three Littlestown Boy Scouts achieved Star ratings during a board of review conducted by Dr. Frank N. Hewetson. The three, all members of Boy Scout Troop 84 of Littlestown, were Paul Bowman, Robert Hahn and James Kroh.

Crosby N. Hartzell, camping and activities chairman, reported these additions to his committee: Eugene Albright, Paul Evans, Milfred Rouser and Richard Hartley.

Dr. Tilberg told the group of (Continued on Page 13)

## Postpone Travel Council Meeting

The special meeting of the Gettysburg Travel Council originally scheduled for this evening will be held instead on Tuesday evening at 7:30 o'clock at the borough council chamber in the engine house, John Y. Crow, president of the Travel Council, announced today.

## U.N. Delegates Angry Over New Hungarian Refusal To Admit Secretary To Budapest

UNITED NATIONS, N.Y. (AP)—U.N. delegates voiced shocked surprise today over Hungary's refusal to admit Secretary General Dag Hammarskjold December 16. Some claimed it justified growing demands to throw out the Budapest delegation if it continues to flout U. N. authority.

"An affront to the secretary general and to the whole civilized world," declared U. S. Chief Delegate Henry Cabot Lodge Jr. when told Budapest radio had announced the turnaround by pro-Soviet Premier Janos Kadar. The secretary general had offered to go to Budapest on the specified date to set up U. N. relief activities.

## C. R. BROTHERS HEADS COUNTY BANKERS ASSN.

C. Robert Brothers, cashier of the Farmers' and Merchants' Bank, New Oxford, was elected president of the Adams County Bankers Association at the annual ladies' night dinner meeting held at Banker's Restaurant, Littlestown Rd.

He succeeds Paul B. Fox, trust officer and assistant cashier of the First National Bank of Gettysburg, who was named to the council of administration.

E. R. Hoke, assistant cashier of the Biglerville National Bank, Biglerville, was named vice president; Mrs. C. Robert Brothers, teller at the Farmers' and Merchants' Bank, New Oxford, secretary, and Richard M. Smyser, assistant cashier of the Peoples State Bank of East Berlin, treasurer.

## Others On Council

Others named to the council of administration were: Arnold E. Orner, cashier of the National Bank of Gettysburg; C. D. Krout, cashier of the East Berlin National Bank; William M. Weldner, president of the First National Bank of York Springs, and Wesley Schable, cashier of the First National Bank of Fairfield.

The nominating committee included: Warren Harner, Littlestown State Bank; H. B. Flaherty, of the Farmers' and Merchants' Bank of New Oxford, and Dale Crum, of the Hendersville National Bank. Crum, who has been ill for some months, was reported recovering.

The Rev. Dr. Howard S. Fox, pastor of Trinity Evangelical Reformed Church, Gettysburg, was the speaker. Using as his topic "The Person Who Dares," Dr. Fox said that the men and women who have done the most of humanity have been those who not only had original ideas, but who also had the courage to carry through their ideas for the betterment of mankind.

Using Columbus as an example, he said others may have had the idea that the world was round and could be encircled by ships, but only Columbus had the courage to promote his idea and carry it through to its conclusion. Similar courage is needed today, he said.

## Two Killed In Clashes Today In Budapest

BUDAPEST (AP)—Pro-government and nationalist demonstrators clashed in Budapest today and eyewitnesses said at least two men were killed and several were wounded.

The clash started when a group of about 100 demonstrators siding with Premier Janos Kadar and carrying Red flags met another group of about the same size bearing nationalist flags on Budapest's great boulevard shortly after noon.

The nationalists tried to wrest the Red flag from the hands

## END TESTIMONY IN KIDNAP TRIAL FOR LAMARCA

MINEOLA, N. Y. (AP) — Testimony ended today in the month-old trial of Angelo LaMarca for the July 4 kidnap-slaying of 32-year-old Peter Weinberger. The trial was adjourned until tomorrow.

Judge Mario Pittoni told the all-male jury that they would receive the case after both sides have summed up their arguments and he has charged the panel.

Since the trial began Nov. 5 in Nassau County Court, the state called 26 witnesses, the defense 3. Final state witnesses were two Nassau County police officers and six FBI men. Their testimony was intended to counter charges by the 31-year-old defendant that he was hit in the face one or more times while undergoing questioning after his arrest by the FBI last Aug. 23.

**Deny Striking Him**  
The law enforcement agents testified that they were with him at one time or another throughout this questioning. Each, in turn, swore that he did not strike LaMarca at any time nor see anyone strike him.

LaMarca admitted taking the Weinberger baby from his Westbury, N. Y., home on Independence Day and almost immediately abandoning it to die of suffocation in a nearby Long Island honeysuckle thicket.

He made several vain attempts to collect a \$2,000 ransom. The baby's body was not found until the day after LaMarca's arrest. LaMarca is pleading innocent to murder and kidnap charges on the ground he was driven by personal financial problems. He faces death in the electric chair if convicted.

## Heart Attack Fatal To Harry Matthews

Harry Glenn Matthews, 69, Hunt-ersburg, was found dead in bed at his home, Gettysburg R. 4, Wednesday evening and the Adams County coroner, Dr. C. G. Crist, said death was due to a heart attack. The probable time of death was placed at about 11:30 Wednesday morning. Matthews' body was found by a brother.

The deceased was a son of the late William Henry and Maria Margaret (Harman) Matthews and was born in this county. He was unmarried. He would have been 61 years of age December 21.

These brothers and sisters survive: Charles and Wilbur, Gettysburg R. 4; Robert, Pa'myra; Harman, Baltimore; Alan, York Springs; Mrs. Maria Uzelac, Hagerstown; Mrs. Annie Yohe, Hanover; and Mrs. Francis Plank, Gettysburg R. 4. Services Saturday afternoon at 2 o'clock with Harry Clark of the Jehovah's Witnesses to officiate at the Peters Funeral Home on Carlisle St. Friends may call at the funeral home Friday evening from 7 to 9 o'clock. Interment in the cemetery at the Salem EUB Church.

## Three Vehicles Are Involved In Crash

Two cars and a truck collided at 7:10 o'clock this morning two-tenths of a mile south of York Springs, causing damage totalling \$105. There were no injuries.

State police said William Grove, 22, York, driving a truck owned by J. Leonard, York, had stopped on the highway to permit a car to drive onto the road. Owen Wilmer Ringer, 53, an Akron, O., salesman, also driving north, stopped his car behind the truck. Dorothy A. Swartz, 33, 119 Lincolnway East, New Oxford, also headed north, came over a rise and was unable to stop her car in time to avoid striking the rear of the Ringer vehicle, forcing it into the truck, police said. Damage to the car of the New Oxford secretary was estimated at \$25. Damage to the salesman's auto was estimated at \$80.

## Master Recommends Sollberger Divorce

Attorney J. Francis Yake Jr. has recommended the divorce of George E. Sollberger Jr., Gettysburg R. 4, from Ruby Mae (Eades) Sollberger, formerly of Littlestown R. D., on grounds of infidelity according to his report as master filed with the county probatory. According to the report the couple was married October 15, 1955, in Manchester, Md., and resided as husband and wife for six weeks until Sollberger discovered his wife was 13 years of age instead of 18 as he had thought. On advice of an attorney the couple separated. The husband continued her support. The reports of infidelity were based on events following that separation.

**The Music Appreciation Group** will meet at the home of Dr. and Mrs. Clarence Bartholomew, Windbriar Lane, R. 2, Sunday evening at 7:30 o'clock.

**Class 43 of St. James Lutheran Church** Sunday School held its annual Christmas party Tuesday evening at the home of Mrs. Irma Keefer, 119 E. Middle St., with 21 present. A Christmas litany was led by Miss Margaret Howard, teacher of the class, and Christmas carols were sung. A business session was held with the president, Mrs. Mervin Bream, presiding. A \$60 donation was voted to the missionaries supported by St. James Church, and \$20 was voted for gifts at Tressler Orphans Home. The class agreed to provide gifts for two Adams County Child Welfare children. Gifts were exchanged and refreshments served by the hostesses, Mrs. Keefer, Mrs. Edward Elker, Mrs. Edgar Weaver and Mrs. Pearl Wiser.

Mr. and Mrs. Richard Altomoe, N. Howard Ave., spent several days recently in Fort Lauderdale, Fla.

George T. Raffensperger, S. Stratton St., and his son, Edgar M. Raffensperger, Blacksburg, Va., are on a week's hunting trip in Potter County.

**Aspirants for the Girl Scout** minster badge presented a skit at a meeting of Girl Scout Troop 21 Wednesday evening at the Girl Scout office. Members decorated jelly glasses to be given as Christmas gifts. Carolyn Hill presided. Scout leaders Marion Shears and Diane Crain were assisted by Debbie McCullough.

**The Ladies Bible Class, Number 42, and Mrs. Bowman's Class of St. James Lutheran Sunday School** will hold a joint Christmas party and turkey dinner Tuesday evening at 6 o'clock. Gifts will be exchanged.

**Christmas centerpieces** were made by members of the Harrisburg Road Homemakers Club at a meeting Wednesday afternoon at 1:30 o'clock at the home of Mrs. Charles Spicer, Hidersburg. Pine, bells and candles were used in various arrangements one of which resembled a reindeer. One centerpiece will be placed on exhibit at the Christmas Tea to be held Friday afternoon, December 14, at 1:30 o'clock at the YWCA.

Plans were made to hold a Christmas party in the social room of Bender's Church, near Table Rock, Thursday evening, December 20, at 7:30 o'clock. Members will exchange Christmas gifts. Refreshments were served after Wednesday's session with Mrs. Leo Thomas serving as co-hostess. There were 20 members in attendance, including Miss Florence Finger, Adams County home economist, and Mrs. Herbert Zepp, a club leader.

**Mrs. Ray Culp and daughter, Karen, E. Middle St., are spending the day in York with her parents, Mr. and Mrs. D. E. Grandstaff.**

**Tin cake boxes** were painted red and green by members of the Golden Stars, a Y-Teen group, Wednesday afternoon at 4 o'clock at the YWCA. The girls plan to fill the boxes with homemade cookies and candy and present them as Christmas gifts to the guests at the Adams County Home. A business meeting was conducted.

**Plans for the Mid-Winter Conference** at Lancaster in February were made by the Teen-ettes, a Y-Teen group, Wednesday afternoon at 4 o'clock at the YWCA. The girls are planning to fill a Christmas basket for a needy family in the county.

**Mr. and Mrs. Harold L. Ecker and daughter, Barbara, Seminary Ave., spent Wednesday in York.**

## Seminary Graduate Takes Hallam Charge

Rev. Charles L. Delaney Jr., assistant pastor of Christ Lutheran Church, York, for the past two years, has accepted a call to become pastor of Hallam Lutheran parish effective January 7.

Rev. Delaney, a native of Clarksburg, W. Va., preached trial sermons in the two churches of the parish—St. James, Hallam, and Canadochy at Delroy—on Sunday after which the congregations voted in favor of extending him a call. He will succeed Rev. Edward K. Stipe, who resigned in October to accept a teaching post at Ashland college, Ashland, Ohio.

Rev. Delaney is a 1951 graduate of the University of West Virginia at Morgantown and a 1954 graduate of the Lutheran seminary here.

In the same issue of the publication, Richard E. Drees, former local manager, is shown in a presentation ceremony at the Berkshire Country Club, Reading.

## Three Hurt When Auto Strikes Pole

Three men were injured when a car driven by Ralph A. Myers, 37, Taneytown R. 1, ran off the highway and struck a pole near Tyrone, Md., this morning about 6 o'clock. All were treated at the Warner Hospital.

Myers was treated for an injury of his right forearm. William W. Moon, 52, Taneytown R. 1, a passenger in the car, received treatment for multiple lacerations of the face and injuries of the chest. Another passenger, Roland Suteley, 39, Taneytown, received laceration of the forehead and an injury to his left foot.

## U. S., ICELAND AGREE ON AIR BASE OPERATION

By JOHN M. HIGHTOWER

WASHINGTON (AP) — The United States and Iceland have reached complete agreement on continued American operation of the strategic air base at Keflavik, halfway between Moscow and Washington. Under the agreement, which is expected to be announced soon, the U.S. government is expected to provide economic assistance to the island republic whose government faces a prospective 30-million-dollar deficit.

Informants said the understanding provides for quick resumption of work on expansion of the Keflavik base, a project costing about 12 million dollars a year.

**Interrupt Work**  
Work was interrupted several months ago from the government of Iceland notified the United States and the North Atlantic Treaty Council that it wanted U.S. troops withdrawn and the base put in stand-by condition with Iceland—which has no military force—taking responsibility for its maintenance. About 4,000 men make up the U.S. military force.

American authorities at the base will undertake to give maximum permanent employment to Icelanders. This may involve some system for making use of local workmen in the months when they are not engaged in fishing, which is Iceland's biggest industry.

**Reverse Position**  
The agreement for U.S. forces to stay on constitutes a reversal of the Icelandic government's position. The shift is attributed to Russia's tough behavior in the Hungarian and Middle East crises. These were said to have convinced Icelanders that world peace was not as secure, and world tensions had not declined as much, as they estimated last spring when they demanded that the strategic air base be put in reserve with U.S. forces pulling out entirely.

Under the old arrangement the United States maintained forces in Iceland as an agent of NATO. The new set-up is understood to be a two-government affair, by-passing NATO.

## MRS. REBERT DIES SUDDENLY

Mrs. Ida E. Rebert, 79, died suddenly at her home, 45 W. King St., Littlestown, this morning at 4:15 o'clock. The Adams County coroner, Dr. C. G. Crist, attributed the death to a heart attack.

A daughter of Gustavus and Ida (Shaw) Crapster, she was a member of the Redeemer Evangelical and Reformed Church at Littlestown.

She and her husband, Rev. Charles B. Rebert, moved to Littlestown in 1944 after Rev. Mr. Rebert had retired as pastor of the Carroll Reformed church of Westminster.

Surviving are her husband; a son, Elman J. Rebert, Caldwell, N. J., and a grandson.

Funeral services Saturday afternoon at 2 o'clock at Redeemer's Evangelical and Reformed Church, Littlestown, with the Rev. Porter Setwell officiating. Interment in Mt. Carmel Cemetery, Littlestown. Friends may call at the Myers Funeral Home, Willis St., Westminster, from this evening until 10 o'clock on Saturday morning. The body will then be removed to the church at Littlestown and will lie in state there from 1 o'clock Saturday afternoon until the time of funeral.

## FARM CALENDAR

**Calves Need Care** — Replacement calves in your herd need more care and higher-quality feed than the brood cows. To give them this extra care and better feed, be sure to winter them apart from your brood cow herd, urges Thomas King, Penn State extension livestock specialist.

**Check Septic Tank** — Now is the time to check your septic tank for the amount of sludge in it, reminds Henry Wording, Penn State extension agricultural engineer. Sludge must be removed periodically to prevent overflow into the tile disposal field and subsequent failure of the sewage disposal system.

**Feed Pullets Enough** — When

## BRITISH QUEEN SEES "HOTTEST SHOW IN TOWN"

By EDDY GILMORE

LONDON (AP) — Queen Elizabeth II rode back to Buckingham Palace early today chuckling over a naughty French bedroom farce that her grandfather once called "the hottest show in town."

The play was "Occupe-Toi d'Amelie" ("Occupy Yourself With Amelie"), a between-the-sheets classic from across the channel which has kept Continental audiences laughing for years.

The Queen and her party of 20 smiled, giggled and laughed out loud for 3½ hours. Then she went backstage at the Palace Theater and congratulated the members of the visiting French repertoire company that Jean-Louis Barrault and his wife Madeleine Renaud had brought over from Paris.

**Low Cut Dress**  
Wearing a light mauve evening dress — cut extremely low for Her Majesty — she moved on to the French Embassy for a supper party given by Ambassador Jean Chauvel.

"All through supper," said an embassy spokesman, "the Queen talked about Amelie. It was long after midnight when she went home and we noticed she was still chuckling when she got into her automobile."

The farce is about a Parisian cocotte with no morals but a great many boy friends, including one visiting royal prince.

The British press said this character was based on King Edward VII, Queen Elizabeth's fondly loved great-grandfather.

"Occupe-Toi d'Amelie" was staged in London years ago, a watered-down version which Edward's son George V saw and called a hot affair. Last night's presentation was just as the show is played for audiences in Paris. Most of the action takes place in bed, with the cast dressed for the occasion.

## QUIZ VAGRANT ON DEATHS OF 3 BOYS IN '55

SAN DIEGO, Calif. (AP) — A 30-year-old vagrant who says he is subject to blackout spells is being held by police for questioning about the killing of three Chicago schoolboys in October 1955.

The questioning of Richard Fred Ebert, questioned suddenly last night from routine queries about his vagrancy arrest to the shocking triple slaying when he kept repeating "That time I was in the woods," reported Detective M. E. Brandenberger.

Asked what he meant, Ebert added: "The three boys in the woods, it was terrible the way they were killed," Brandenberger said.

**Quizzed Thousands**  
Ebert was identified as a former metal worker and gardener from Aurora, Ill., 40 miles southwest of Chicago.

Although Chicago police have questioned thousands of persons since the slayings more than 13 months ago, they said they had no information about Ebert, and had no real clues to the killer or killers.

Brandenberger said Ebert, who was picked up on a vagrancy charge last night, told police he was subject to blackout spells and had been an inmate in mental institutions at Elgin, Ill., and Camarillo, Calif.

## Two Cars Damaged In Nearby Mishap

Frank J. Umami, 30, of Drexel Hill, Pa., is charged with driving too fast for conditions by state police after colliding this morning on the Fairfield Rd. at about 11:30 o'clock with Douglas D. McIntosh, 61, of Mamaroneck, N. Y. Approximately \$500 damages was inflicted on each vehicle. No one was injured.

Umami, a salesman, was traveling east on the highway. At a curve in the road his car veered to the other side of the highway and sideswiped McIntosh's car which was going west. The left sides of both cars were badly damaged, police said.

## SUMMER HOME BURNS

The summer home of Joseph Phillips in Germany Twp. was destroyed by fire at 11 o'clock this morning when Phillips was preparing to butcher. Damage is estimated at about \$200. The loss was not covered by insurance. The Alpha Fire Company, of Littlestown, with two pumpers and the service truck answered the alarm.

**Pullets are fed so that they gain weight gradually, in spite of heavy egg production, they are not so likely to go into a slump and molt during the first six months of laying,** says F. H. Leuschner, Penn State extension poultry specialist. Check the weight of selected pullets each week.

**Fertilizer Aids Maturity** — Fertilizing influences corn maturity, Donald Satchell, of the Penn State agronomy department, found that corn receiving enough phosphate fertilizer matured 2 to 3 weeks earlier than corn which got little or no phosphate fertilizer.

**Dr. and Mrs. W. N. Sterrett and children, Beth and Craig, Arendtsville, spent Wednesday in Philadelphia.**

**The Bendersville PTA held its** December meeting Wednesday evening at the elementary school in Bendersville. Luther Smith, president, presided. The program was opened with group singing of Christmas carols led by Paul Crum, Mrs. Marvin Fox led the devotions. Approximately 80 attended.

A panel discussion on the subject of recreation was then held, with David Houck as moderator. Members of the panel were Wilson Wenk, Paul Crum, Clarence Seeman, Miss Janice Lupp and Chester Hilger. Mr. Wenk gave the results of the Little League baseball games this summer, stating that 20 games were played with 119 boys participating. Mr. Crum talked on recreation in the home, emphasizing hobbies for year-round child participation, such as collecting coins and reading good books. Mr. Seeman gave the results of the swimming classes sponsored by the Bendersville PTA this summer under the supervision of the American Red Cross at Gettysburg. One hundred sixty children took swimming lessons, 27 of whom received certificates.

Miss Lupp spoke on recreation for girls, telling of her experiences with two age groups, the elementary and the older group. Working with the elementary group in the afternoon proved a success. However, evening courses for older children was not too satisfactory. Mr. Hilger stressed diversified activities to include various types of recreation. He also emphasized close association between parents and children in these recreational activities. During the panel discussion, a motion picture film was shown to the children.

The next meeting of the association will be held Thursday evening, January 24, at 7:30 o'clock, at the same place.

**Sgt. Robert H. Kennedy, who has** completed a 30-day leave with his parents, Mr. and Mrs. D. F. Kennedy, Bendersville, left by plane Monday evening for San Francisco, Calif., and will soon join the 25th

Division in Hawaii. Sgt. Kennedy was recently transferred from Ft. Chaffee, Ark., to the 25th Division.

**Biglerville Intermediate Girl Scout** Troop 40 met in Musselman's lounge, Biglerville, Tuesday evening. Plans were completed for the Christmas party to be held in the recreation room of the Edwin Eckert home on the Biglerville Rd. Monday evening, December 17, at 7:30 o'clock.

The following committees were appointed: Games, Dorothy and Freda Kuykendall, Carol Clapsadie, Nellie Irving; songs, Natalie Burkhardt, Patsy Roberts and Carol Eckert; decorations, Ann Kuykendall, Sue Donhart and Kathleen Lady.

Refreshments and table settings will be arranged by the troop committee under the direction of Mrs. Emory Raffensperger. Girl Scouts interested in attending the annual carol sing to be held December 18 on Lincoln Square, Gettysburg, are asked to meet that evening in front of the Biglerville Bank at 6:15 p.m. where transportation will be furnished to and from Gettysburg. Carol singing will begin at 6:45 p.m. and refreshments will be served afterwards at Christ Lutheran Church. Joan Crist, Kathleen Lady and Joan Irving were chosen to sing the part of "The Three Kings" in the program which will be broadcast over WGET.

The girls were reminded to bring their donations for the food sale at Dugan's barber shop at 8 o'clock Saturday morning. The girls worked on Christmas gift projects. Leaders in charge were Mrs. Edwin Eckert, Mrs. John Waugaman, Mrs. Hugh Robinson and Mrs. Dan Warrington.

**A Christmas tea, sponsored annually by the Women's Missionary Societies of Trinity Lutheran Church, Arendtsville,** will be held this evening at 7:30 o'clock at the church. The film, "O Holy Night," will be shown as part of the program.

**The Volunteer Sunday School** Class of St. Paul's Lutheran Church, Biglerville, will hold its December meeting in the form of a Christmas party in the social room of the church at 8 o'clock Tuesday evening. Instead of the exchange of gifts, each member will take \$1 to the meeting to be hung on a Christmas tree. The money will later be given to war relief. The committee in charge of the meeting includes Mrs. Margaret Walter and Mrs. S. A. Ehlman, co-chairmen. Mrs. Vincent Hawbecker, Mrs. Earl Garretson, Mrs. Luther Lawver, Mrs. George Smith, Mrs. Wilmer Bream, Mrs. Pierce Mellett, Mrs. Hazel Hess, Mrs. Wesley Hummer, Mrs. Arthur Ebert Jr. and Mrs. Harold Rexroth.

The Gettysburg Times

TWENTY YEARS AGO

**Baldwin Gives King Edward  
Time To Decide Between "Heart  
and Throne":** London, Dec. 6 (AP) — Prime Minister Stanley Baldwin openly gave King Edward time to "weigh" his decision between heart and throne and declared the sovereign himself had precipitated the whole crown crisis by informing Baldwin "of his intention to marry Mrs. Simpson whenever she should be free."

Clement R. Atlee, leader of the King's opposition, had queried Prime Minister Baldwin in the House of Commons for a statement "regarding any constitutional difficulties."

**R. H. Deardorff Is Chosen New  
C.A.R. Leader:** Following a brief regular meeting of the Gettysburg chapter of the Daughters of the American Revolution at the Y. W. C. A. building Saturday afternoon, a meeting of the Marsh Creek chapter of the Children of the American Revolution was held. Officers were elected and an entertainment program presented before the members of both organizations. Mrs. Raymond F. Topper, regent, presided at the opening session.

At the business meeting of the C.A.R. the presiding officer was the retiring president, John Deardorff. These officers were elected: President, Robert H. Deardorff; corresponding secretary, Annie Shuman; recording secretary, Jean Zeigler; treasurer, Jane Walter; historian, Samuel Daley; registrar, Doris Ann Day and color bearer, Fred Faber.

**George Black Is Commander  
Sons Of Vets:** George P. Black, retiring senior vice commander of the Gettysburg camp of the Sons of Union Veterans, was elected commander at the annual organization meeting Friday evening at the G.A.R. post room.

Clayton A. Myers was re-elected treasurer for the sixteenth consecutive term.

Other officers elected follow: senior vice commander, Donald P. McPherson Jr., Esq.; junior vice commander, Harry G. Deatrick; members of camp council, Jesse E. Snyder, Rev. Luther B. Hafer and Dr. Charles B. Stouffer; secretary, William L. Meals, Esq., who held the office continuously since 1925; representatives to the department encampment, D. P. McPherson Jr., Esq., Clayton A. Myers, N. L. Minter, Harvey M. Sterner and Arthur W. Warman.

**Local Elks Hold Memorial Service:** "Benefits of Memory" was the theme of the address given by the Rev. Spencer W. Augst, who was the guest speaker at the annual memorial services of the Gettysburg lodge, 1045, Benevolent and Protective Order of Elks, held Sunday afternoon at the Elks home.

Donald H. Hershey, exalted ruler, presided. Arrangements for the service were in charge of H. T. Jennings.

Seven members of the lodge died during the year. They were George E. Shields, Edward S. Peters, C. E. Stahl, Esq., David J. Forney, the Rev. A. A. Hughes, Charles H. Wilson and Bert G. Shook.

**VanDyke Motor Club Speaker:** Members of the Gettysburg Motor club of Adams county held their annual meeting at the Strand Theater Wednesday evening.

Secretary of Highways Warren VanDyke addressed the meeting. S. Edward Gable, president of the Pennsylvania Motor Federation, was also one of the speech makers.

**10th Furniture Show Opened By  
Factories Here:** The tenth semi-annual preview showing of the new 1937 "Gettysburg group" lines of furniture is in full swing in the showrooms in the first block of York street, and is attracting the largest attendance of buyers in the history of the event.

**Eckert—Shoop:** Miss Anna E. Shoop, daughter of the Rev. and Mrs. Earl W. Shoop, of Guernsey, and Edwin A. Eckert, son of Mr. and Mrs. Harry Eckert, also of Guernsey, were united in marriage Wednesday afternoon at 4 o'clock.

## Today's Talk

**OLD FRIEND, NEW FRIEND**  
In Boston, recently, I called upon an old friend with whom I had done business for many years. I have known him some thirty years, but never got well acquainted with him. But this recent time we talked for two hours — about everything under the sun in the newspaper world. I was thrilled and pleased to think that I could call this old friend a new friend, however, for never did I have so revealing and pleasant a talk.

How many there are whom we have catalogued as old friends who should have been among our new friends, for a friend is new, or old, according to spiritual development! Or, perhaps, near association. At any rate we are lucky to run into some of our old friends who can well classify as new friends.

The older we get the more we prize our friends. We, ourselves, die a little when a beloved of ours writes "thirty" at the close of his last piece of writing. We could easily trust to our old and new friends to appraise our worth to the world. To all the free nations of the world, America says: "We are your friends." Old ones and new ones is the story.

There are those whom I have known for a good part of my life, but whom I have really never known. I presume there are many such. On the other hand we have met a new friend who has been given an honor place in our heart after a very brief acquaintance. It's something special that is bequeathed at birth, I guess.

A man can feel very proud when he stands before a great audience and can look at that spread of human beings, and can say: "Friends," did you ever read that Napoleon at his death on that bleak island of St. Helena had but one about him whom he could call friend, and that was his faithful valet?

Tomorrow Mr. Adams will talk on the subject: "Sees All" Protected, 1956, by the George Matthews Adams Service

## Just Folks

**THE OLD QUESTION**  
It has to come; as children grow  
There will be much they want to know.

And any father has to pause  
To say: "Is there a Santa Claus?"

My father was a truthful man.  
Deceit was never in his plan.  
And when I asked him, with a cough,  
I now recall, he put me off.

"Is there a Santa Claus who comes  
At Christmas Eve with horns and drums?  
And does he on that happy trip  
Down chimneys to good children slip?"

I could not take the charm away  
From youngsters small on Christmas Day.

I said: "I've always understood  
He knows when children have been good."

## Santa and the SECRET ROOM

by LUCRECE HUDGINS BEALE

By LUCRECE HUDGINS BEALE  
(For P.M.s, Dec. 6; A.M.s, Dec. 7)  
Synopsis: I found Princess Anne hiding in our barn. She had run away from the palace because she feared the king. He had become cold and strange to her. He spent his time in a secret room and no one who had gone in there with him had ever come out again.

**CHAPTER THREE  
WE MAKE A WISH**  
When Princess Anne told me of the king's secret room and of the strange way he acted I was frightened, too.

"Have you told anyone else?" I asked.

"I told my nurse that father had changed and that I was afraid of him. She said she felt the same. Then one day he called her to him in the secret room."

"What happened? What did she see in the room?"  
"I don't know," moaned the little princess. "She never appeared again!"

There was a long moment when neither of us spoke and I could hear the pounding of my heart. Then the princess said, "That was a week ago. This morning my father sent for me and told me I was to meet him at noon in the secret room."

"And so that is why you ran away!"

She nodded. "I ran and ran until I came to this barn and now, oh now I don't know where to go or what to do!"

I was scared half to death. I didn't know what to do either. So I took the princess' hand and said, "Come on, we've got to get out of here!"

We dropped out of the loft and slipped out of the barn. Just in time, too, cause here came all seven brothers to bed and I knew they'd never understand why the princess was frightened and they'd want to return her to the king.

We hid behind a bush until they'd all gone. Then we went down the road as fast as we could and all the time I kept thinking, "Where can we go?"

Everyone in the kingdom would be searching for the princess and no home would dare to give her shelter for fear of the king.

All at once there came a jingle, jangle of horses and we leaped into a ditch at the side of the road. A whole troop of soldiers came galloping by swinging lanterns and waving their swords. I knew they were hunting the princess.

After they had gone we lay there in the ditch and the princess said, "Oh, dear, there's no where I can go!"

I thought she was right until all of a sudden I remembered the story my sister had read that very night about Santa Claus and how he'd helped a boy who didn't believe in him.

"If Santa would do that he'd surely help someone who does believe in him," I thought. I turned to the princess and said, "Come on. We'll go to Santa Land. Santa's not afraid of any-

thing and he will certainly know what to do."

"Oh, wonderful!" cried the princess. "How do we get there?"

Well, I'd never been there but I'd heard stories about other folks going and I knew there were lots of ways.

"One way," I said, "is to swallow a magic pill."

"But we don't have a pill," protested the princess.

"Well," I said, "another way is to let the wind blow us—see, like this." But though there was a strong wind blowing, it didn't blow us anywhere. "Well," I said, "we could just walk north and sooner or later we'd be bound to get to the North Pole."

The princess felt her pale blue slippers and I knew she was thinking she could never make it. So I said, "I have heard you can get there by wishing. Let's try that." We stood hand in hand at the side of the ditch and closed our eyes tight and wished and wished

## NINE MORE FACE JUDGE TODAY IN CLINTON, TENN., RACE VIOLENCE

CLINTON, Tenn., (AP) — Nine more of the 16 persons accused in racial violence which closed integrated Clinton High School Tuesday faced a federal judge today as officials made plans to reopen the school.

U. S. Dist. Judge Robert L. Taylor of nearby Knoxville issued criminal contempt warrants for the 16 yesterday, charging them with violation of a court order forbidding interference with integration of the school.

Fifteen of them — 6 men and one woman — were in jail at Knoxville within a few hours. A 16th, reportedly a woman, was still being sought by federal marshals.

### All Deny Charges

Six of the prisoners, including W. H. Till, chairman of the pro-segregation white Citizens Council here, were arraigned before Judge Taylor last night. All denied the charges. Other arraignments were postponed until today.

There also was a report that steps have been taken to see if bail can be revoked for John Kasper, 26, who has appealed Taylor's one-year sentence on a similar charge in previous disorders at school opening last August.

The Anderson County School Board, which had ordered the school closed Tuesday "until further notice," decided after the 15 arrests last night to reopen the school next Monday if possible.

The closing followed a series of increasingly numerous racial incidents climaxed Tuesday by the

and wished we were in Santa Land.

Suddenly there was the awful jingle, jangle of the king's horses coming back up the road. I opened my eyes too late because they were almost on us and we were too scared to move.

## Bullets Drubbed 85-44 By Georgetown 5; Limited To Three Goals In First Half

Held to a paltry three field goals in the first half, the Gettysburg College basketball team suffered their third loss in as many starts Wednesday evening when they absorbed an 85-44 drubbing at the hands of Georgetown University at Washington, D. C.

It was strictly a "no-contest" affair as the Hoyas tallied eight straight points after Tim Cousins had knotted the count for the Bullets at 2-2 via a goal shortly after the game opened.

The Bullet attack was a pathetic affair in the first 20 minutes of action. Their three field goals came on a total of 29 shots from the floor. At the foul line it was the same story as they netted but seven of 19 attempts in the first half. Georgetown led 44-13 at intermission.

**Action Limited**  
Coach Tommy Nolan of Georgetown, used his first-stringers but 18 minutes and wound up with three complete teams in action. Joe Missett, the Hoyas' ace 6-7 center, rammed through 13 points during his limited action.

Gettysburg's offense picked up somewhat in the final 20 minutes but it was meaningless as the Hoyas reserves continued to outscore the Bullets.

Walt McGowan, reserve forward, was high man for the Bullets with 11 points which came via a trio of goals and five free throws.

The game was Georgetown's first of the season.

On Saturday the Bullets travel to Lewisburg to meet Bucknell, conquerors of Cornell at Ithaca last week in their only game to date.

## Adlai And Averell Discuss Future

NEW YORK (AP)—Adlai E. Stevenson and New York Gov. Averell Harriman met at the governor's home here yesterday to discuss the future of the Democratic party.

Harriman would give no details of his talk with Stevenson, twice defeated as a Democratic presidential candidate.

Harriman, Stevenson's chief opponent for the nomination at this year's Democratic convention, flew here from Chicago for the meeting. Harriman had been attending a meeting of a subcommittee on civil defense of the governors' conference.

## ILLINOIS BEATS BUTLER 98-81; MARQUETTE WINS

CHAMPAIGN, Ill. (AP)—Basketball Coach Harry Combes admits he has "a pretty good team" at Illinois but there are a lot of "ifs" connected with it.

Some of the "ifs" may have been answered last night when the Illini opened their season with a 98-81 victory over Butler.

"If Don Oehl improves as much from his sophomore year to his junior year as Harry Schmidt did it will do much to help," Combes had said in listing his "ifs."

**28 By Don Oehl**  
Well, Oehl, a 6-3 guard, rattled in 20 points against Butler. Schmidt, a 6-6 senior, contributed 2.

But the big man, as everybody expected, was George Bon Salle, a 6-8 senior center who, perhaps, is the Midwest's No. 1 All American candidate. He slammed in 28 points.

This combined scoring punch offset a brilliant performance by Butler's Ted Guzek, who took scoring honors with 37 points.

**Other Good Ones**  
"We're going to be a pretty good team," said Combes. "But so are Minnesota, Northwestern, Indiana and Purdue. If Purdue's sophomores come through I look for a five-way fight for the title."

In another Midwest struggle, Bob Walczak's one-handed jump shot with five seconds remaining gave Marquette a 61-60 overtime victory over DePaul. Jim McCoy, Marquette sophomore who finished with 29 points, sent the game into overtime with a basket just as the buzzer sounded.

Elsewhere, Duke swamped South Carolina 104-76 in an Atlantic Coast Conference game; Dayton, perennial contender for national honors, trounced Miami (Fla.) 87-48; Georgetown, reputed to be one of the best in the East, looked the part in manhandling Gettysburg 85-44; Alabama's defending Southeastern Conference champs trampled Birmingham Southern 110-69; Notre Dame came within a point of its own scoring record in a 98-55 victory over St. Joseph's of Indiana.

**Other Results**  
Other Pennsylvania teams fared this way:

Penn 100, Swarthmore 85;	Princeton 64, Lafayette 55;
Temple 78, Muhlenberg 64;	St. Joseph's 93, West Chester 43;
Cannizzo 66, Villanova 62;	LaSalle 73, Albright 52;

## SAYS RUSSIA MAY BEAT U.S. IN OLYMPICS

MELBOURNE (AP)—A leading American Olympic official today conceded that Russia might beat the U.S.A. in gold medals and points in the Melbourne Olympics.

He said the only way to top the Soviets in the future was "for us to get better in other sports than the main ones."

"The Russians have the depth," said Lyman Bingham, executive director of the U. S. Olympic Committee. "If we lose we will have no alibis."

**Pastime Here**  
"Our strength is in main sports like track and field, swimming, rowing and basketball — sports which are featured in the colleges. There the boys get the best coaching and equipment and the competition you need to be at your best."

"We'll have to get better in the other sports like gymnastics and field hockey where there isn't too much interest. How we'll do that I don't know yet."

"It's simpler for the Russians. With them sports is a great propaganda weapon. With us it's a pastime except maybe for college football."

## GREAT AGAINST MARYLAND

CHAPEL HILL, N. C. (AP)—Ask North Carolina's Jim Jones which team he likes to play football against and he undoubtedly will yell: "Maryland." In 1955, Jones, a guard, scored his only touchdown by taking the ball from Frank Tamburello's (Maryland quarterback) hands and running 25 yards for a score. This season Jones grabbed a deflected pass by teammate, Dave Reed and ran 22 yards for a touchdown — his first of the season — against Maryland.

## Capitani And Ward Receive Honorable Mention For Little All-America Honors

NEW YORK (AP)—Four holdovers and a kid so popular with the home folks he recently drew 15 write-in votes for sheriff are among eleven seniors named to The Associated Press' Little All-America football team for 1956.

The lineup also includes the top passer among small college players, a fullback who averaged nearly nine yards a carry during a matchless four-year career, and an accompanying group of linemen averaging 6-3 and 215 pounds.

**Repeaters From 1955**  
The repeaters from last year's Little All-America are end Charles Schultz of unbeaten, undefeated Alfred; guard Steve Myhra of North Dakota, tackle Vince Vidas of Drexel Tech, and Nate Clark, an all-purpose halfback for Hillsdale (Mich.).

With Clark in the backfield are Jimmy Stehlin of Brandeis, who led the little schools in passing with 116 completions in 206 attempts for 1,155 yards; Bill Rhoades of Western (Colo.) State who gained 327 yards in one game this fall, totaling 4,294 yards in his varsity career and averaged 8.49 yards per carry since his first game as a freshman four years ago; and Larry Houdek, Kansas Wesleyan's tailback who ran for 1,432 yards, led the nation in scoring with 114 points and pleased the folks around Salina so much 15 of them made him their write-in candidate for sheriff last month.

The remainder of the choice team includes end Milton Robichaux of Trinity (Tex.), 6-6 tackle Don Owens of Mississippi Southern, guard Bob Mitchell of the College of Puget Sound, and center Bill Earl of Emory & Henry.

Others named include:  
Second team: William (Whizzer) White, Westminster (Pa.) College, back.

Third team: Albert Hill, Penns. Military, end.  
Honorable mention:

**DIVERS' COACH FILES PROTEST OVER JUDGING**

MELBOURNE (AP)—Karl Michaels, coach of America's Olympic divers, entered a formal protest against the judging system tonight after America had lost the high diving championship for the first time since 1912.

Joaquin Capilla of Mexico won the title, beating Gary Tobian of Los Angeles by three one-hundredths of a point. Capilla was awarded the remarkably high score of 21.30 points on his final dive to finish with 152.44 points to Tobian's 152.41.

That broke a string of seven straight American high diving victories which began in the 1912 Olympics. The last winner other than an American was Sweden's Erik Adlers in 1912.

**Wants New System**  
Michaels said he wasn't protesting Capilla's victory because he is "a fine guy and a fine diver. I don't want to impugn his victory in any way."

But he objected strenuously to what he called the practice of Hungarian and Russian judges of systematically marking down the American divers.

Michaels, the Dartmouth College coach, said that he neither wanted nor expected to change tonight's results but that he hoped to work out a new system of selecting the judges.

**Judges Reluctant**  
Bob Muir, head coach of the American team, said: "There is no question about us protesting the outcome of the Capilla victory. We want to avoid any incompetent judging."

Michaels said he had noted a reluctance by the judges to put up their cards, or else a tendency to put them up ahead of time.

He also said the Hungarian diving coach, who had two divers in tonight's competition, had been seen obviously coaching his own men with hand signals from the judging stand.

**RUSSIA TAKES OLYMPIC LEAD OVER YANKEES**

MELBOURNE (AP)—Russia just missed a clean sweep of individual and team gold medals in the men's gymnastics events tonight and moved ahead of the United States in the unofficial Olympic point tabulations.

The Soviet, which also swept the first four gold medals to be determined in Greco-Roman wrestling, jumped some 100 points in front of the Yanks, who have been at a virtual standstill since the completion of the men's track and field competition last Saturday.

America failed to pick up a single gold medal in today's competition, settling for a second in the women's 400-meter relay swims and a 2-3 finish in the men's high diving event. The United States lodged a protest, however, against Mexico's Joaquin Capilla, who was awarded the diving gold medal.

**Win Team Title**  
Russia won the team title in men's gymnastics, finishing well in advance of the Yanks who were down the list, and also picked up five undisputed gold medals in the seven individual events while sharing a title in one. The individual gold medals included the all-around championship won by Victor Tchoukarine.

Australia's Dawn Fraser, Faith, Leach, Sandra Morgan and Lorraine Crapp combined to set a world and Olympic record in the women's 400-meter swimming relay. They were clocked in 4:17.1, which was 2.6 seconds under the world mark set by an Aussie team six weeks ago.

America's Sylvia Ruuska, Berkeley, Calif.; Shelley Mann, Arlington, Va.; Nancy Simons, Belvedere, Calif.; and Joan Rosazza, Torrington, Conn., also cracked the old world record with a 4:19.2 clocking for the silver medal.

**Set Olympic Record**  
Dave Thiele of Australia won the 100-meter backstroke final, setting an Olympic record in 1:02.2. America's best was Frank McKinney of Indianapolis, Ind., who was third.

Gary Tobian of Los Angeles and Richard Connor of Pasadena, Calif., finished behind Capilla in the disputed diving final.

Japan was 1-2 in the men's 200-meter breaststroke, with Masaru Furukawa setting an Olympic record of 2:34.7 for the gold medal. The United States failed to qualify for the final.

A water polo game between Hungary and Russia brought rough play that finally resulted in a decision to cut the game short after a Hungarian player was injured with Hungary a 4-0 winner.

There were many Hungarian partisans in the near-capacity crowd which booed the Russians loudly. After Hungary's Ervin Zador was taken from the pool with an eye cut, resulting from a head-butting, the game was called and the Russian team returned to its dressing room under police escort.

Feeling was bitter between the Russians and the Hungarian players who were reported yesterday to have decided not to return to their country after the Olympics.

## Buffalo Bisons Go Into First Place

By THE ASSOCIATED PRESS  
Buffalo, sparked by a fine net minding performance by goalie Harry Lumley, boosted the Bisons into a first place tie in the American Hockey League.

In the only game played last night the Bisons scored five times in the first two periods and then held off a final period rally by Providence to defeat the Reds 5-3. The victory enabled Buffalo to move into the league lead along with Providence. Both teams have 25 points.

Lumley, guarding the goal superbly through the first two sessions, was hard pressed in the final period when the Reds' attack produced three goals. Lumley had 34 saves.

**TALENT SHARING PLAN MAY GET "OKAY" TODAY**

JACKSONVILLE, Fla. (AP)—A player cutdown proposal, a kind of share-the-talent plan for grass-roots baseball, appeared to have a good chance of passing today as minor leagues prepared to vote on 29 amendments to the major-league agreement.

Recommended by both Baseball Commissioner Ford Frick and minor league boss George Trautman, the proposal would require major league clubs to cut their rosters to 28 players by opening day. The majors in the past have kept from 30 to 32 players until the May 15 cutdown time.

Adoption of the proposal by both the minors, currently in session here, and the majors, which meet in Chicago next week, would free at least 32 players—two from each of the 16 big league clubs—for immediate service in the higher minors.

**In Addition To Fund**  
The Pacific Coast League and triple-A clubs then could log off some of their players, setting off a chain reaction which would reach all the way down to the Class D circuits.

Trautman has complained that under the present plan, the minors are unable to get their lineup set for the first month or two of the season.

The cutdown plan would be another step in the majors' program to aid the minors, this time with earlier player help. The majors already have set up a \$500,000 fund to assist financially troubled minor league clubs.

In addition to the legislative session on amendments, Class B and C leagues were set to hold their draft. Minors from Class A up drafted 36 players yesterday at a total cost of \$156,750.

## UNDEFEATED MACHEN FACES JACKSON NEXT

SYRACUSE, N.Y. (AP)—Undeclared heavyweight Eddie Machen today was offered a bout with Tommy (Hurricane) Jackson as a stepping stone to a title match with new heavy king Floyd Patterson.

Billy Brown, matchmaker for the International Boxing Club, said after Machen's 10-round unanimous decision over sixth-ranked Johnny Summerlin last night:

"We have offered Machen a bout with Jackson and we would like to put the winner of that fight in with Patterson."

**Delays Reply**  
Brown said, however, that Sid Flaherty, Machen's manager, "wants to wait a couple of days before he gives us an answer."

There were no indications that Flaherty would refuse the offer. Machen's ability as a counter-puncher as displayed in last night's triumph might make him a very capable foe for the new champion.

**In Command All Way**  
Machen failed to record his 15th knockout in winning 19 bouts, but Summerlin withstood the heavy pounding much to the amazement of his shorter opponent and the 1,915 spectators.

Machen was in command throughout. Judges Richie Fazio and Dick Albino scored it 7-3 for the winner and Referee Joe Palmer called it 6-4. The AP had it 7-2-1.

Machen weighed 190½, Summerlin 19.

## Sports In Brief

By THE ASSOCIATED PRESS  
LOS ANGELES—Dr. Emmett B. Moore of Washington State was elected to a third term as president of the Pacific Coast Conference.

MIAMI, Fla. — I Geegee (\$16-30) scored by a head over Little Jed in the feature at Tropical Park.

NEW ORLEANS—Storm Cloud (\$13-40) caught the favored Seven O'Hearts in the stretch to win top event at the Fair Grounds.

BALTIMORE—Cool Stream (\$5-80) gained a head decision over Golden East in Montgomery County purse at Pimlico.

SAN MATEO, Calif. — Paul's Diamond (\$10-60) captured the feature at Bay Meadows.

MIAMI BEACH, Fla. — Swaps, holder of five world records, was named 1956 champion among older colts and horses by the TRA.

A 16-man varsity squad is working out daily under Coach George Forney at Gettysburg High School in preparation for the opener of a 21-game basketball schedule with Delone Catholic here Friday evening, December 14.

Forming the nucleus for the Warriors this season will be four lettermen, Bobby Hess 5-11, Tom Kitzmiller 6-0, and Jon Wagnild 6-1, all seniors, and Earl Little 6-0, a junior.

Hess and Kitzmiller are comparatively good shot while Wagnild's strong forte is on rebounding. Little, also a good shot, is the squad's playmaker.

If the Warriors are to have a successful campaign several newcomers will have to produce.

**Leading Candidates**  
Foremost among those seeking regular berths are three seniors, Jack Crist, a 5-6 lad with plenty of hustle and savvy; John King, another 5-6 battler, and Dick Pyle, 5-11, who has shown ability under the boards.

In addition to Little, there are five other junior class members waging scraps for regular jobs. Sidney Steinhour 6-1, up from the jayvees, should give a lift to the squad due to his sorely needed height. Ken Mummert 5-6, John Sauter 5-10, Fred Smith 5-8, and Francis Henderson, a 5-11 transfer, have shown potentialities from time to time but are in need of experience.

Four sophomores complete the squad and several appear to have trouble in adjusting themselves to the type of competition being offered in the fight for varsity berths. They found John Millard 5-11, Robert McLuttre 6-1, Robert Staley 5-11, and James Staiger 5-9. A little more hustle and spirit could elevate any to varsity action.

**Miss Keefe**  
The Warriors feel the loss of Kenny Keefe, the speedy youngster who sparked the jayvees last season and who had been heavily counted upon. Keefe suffered a knee injury during the fall and will be out of for the remainder of the year.

Last year the Warriors won eight of 20 games, including the South Penn triumphs against 11 setbacks.

## SEVEN TONS OF FUSES MAY HAVE CAUSED BLAST

NEW YORK (AP)—A Connecticut firm says almost seven tons of detonating fuses — which some officials contend may have caused the terrific blast during a Brooklyn pier fire — were shipped "in strict conformity with all regulatory requirements."

The blast and explosion last Monday killed 10 persons, injured 246 and caused damage estimated by city officials at 15 million dollars. A probe of the disaster continues — including the cause of the fire.

The Ensign Bickford Co. of Simsbury, Conn., said last night it shipped 1,950 cases of "Primacord" fuses to its West Coast distributor.

**Had Approval**  
Stoughton S. Ellsworth, a company vice president, said "Primacord" is designated by the Interstate Commerce Commission as a Class C or minimum-hazard explosive. He said the fuse also has been approved by the Federal Bureau of Aeronautics for shipment via air freight.

City Fire Commissioner Edward F. Cavanagh Jr., however, said yesterday that shipment of such a quantity of this material was of a "hazardous character."

Cavanagh also said the bill of lading was not marked "explosive" and carried only the warning sign, "Store away from heat." He added that no more than 1,000 pounds of explosive material may be stored here without notification to the Fire Department.

**Need Outside Force**  
Robert W. Withers, a top Fire Department official, says such fuses constitute a high explosive of a type banned from shipment here eight years ago.

Cavanagh declined to say definitely that the fuses caused the blast on the Luckenbach Steamship Line pier. But he said experts had told him the amount on the pier could have caused it.

Ellsworth said the fuses would be explosive only when set off by an "outside force," adding: "If acetylene gas blew, it could be set off."

**Carbide Nearby**  
Seven drums of carbide were found in the middle of the 1,700-foot pier, biggest in New York Harbor, the night of the fire. Carbide mixed with water creates acetylene gas which explodes under contained conditions.

Tolerance of the "Primacord" fuse, used in commercial demolition work, was said to be 260 degrees centigrade (500 degrees Fahrenheit).

The fuses had been consigned to the Coast Manufacturing Co. of Traveno, Calif.

The bill of lading on the shipment was found yesterday among blackened debris on the wrecked pier.

## State Democrats Report Expenses

HARRISBURG (AP)—The Democratic State Committee has reported it spent \$105,324 in its election efforts during 1956.

A committee report filed yesterday with the State Elections Bureau showed Gov. Leader Lt. Gov. Roy E. Furman and other top Democratic state office holders gave \$1,000 each toward the campaign fund.

The report listed \$112,212 in contributions.

## UMW Unit Protests Agreement By Lewis

SHENANDOAH, Pa. (AP)—Local 1516 of the United Mine Workers has sent a letter to union president John L. Lewis protesting a one-year agreement reached by Lewis and anthracite producers.

The local hit the pact on the grounds it did not provide a referendum among the miners; nor an increase in the \$50 a month pensions; that seniority rights in the old contract, which the local said favor the employers, remained unchanged; that dates for the annual 14-day vacation were unsatisfactory.

The wage increase negotiated gave the miners a \$2 a day boost.

## 25 CARS ARE DERAILED AT SHIPPENSBURG

SHIPPENSBURG, Pa. (AP)—Reading Railroad workers today continued clearing away debris left after 25 cars of a 42-car east-bound Reading freight train derailed near here yesterday.

A Reading spokesman said the wreck occurred at Longsdorf, between Carlisle Junction and Shippensburg, about 30 miles west of Harrisburg. No one was injured.

The spokesman said it would be until at least midnight tonight before the 2,500 feet of torn up double track could be put back into operation.

Twenty-one of the derailed cars were loaded and the other four were empty. No estimate of the damage was given and the cause was not determined.

Three relief trains were brought to the scene last night to aid in righting the cars and clearing away wreckage.

Reading traffic was detoured over Pennsylvania Railroad track between Camp Hill and Shippensburg.

## LIQUOR BOARD LIFTS LICENSES

HARRISBURG (AP)—The State Liquor Control board yesterday revoked the license of Charles Wisniewski who operates the State Casino at Erie.

The board said it revoked the license, effective Jan. 3, for these reasons:

Sales to intoxicated persons; licensee advertised in a newspaper the price at which he would sell liquor and beer; permitted entertainers to associate with patrons; permitted lewd, immoral and improper entertainment; permitted entertainment on Sunday.

The board also suspended these licenses for the reasons it cited:

**Other Actions**

Effective Jan. 3:  
George and Mary Mason, Mason's Villa, Dallas R. 1, Luzerne County, 15 days; permitted minors to frequent, sales to minors.

Max J. and Madge E. Humphrey, Philipsburger Cafe, Philipsburg, 15 days; not a bona fide restaurant in that it was not habitually and principally used for the purpose of providing food for the public; an insufficient supply of food.

Clair M. Reinhardt, Tuffy's Tavern, Titusville, 30 days; sales to intoxicated persons; permitted gambling.

Effective Jan. 8:  
Theresa Juris Shumock, Shamokin, 10 days; Sunday sales.

## CONDUCTOR KILLED

PHILADELPHIA (AP)—A retired railroad conductor was killed by a passenger train on Reading Co. tracks near Langhorne, Pa., yesterday. The victim was Millard F. Smedley, 73, a former Reading conductor, of Newtown, Bucks County. He was struck by a Baltimore & Ohio New York-to-Washington express.

## JUSTICE DEPT. BRINGS ACTION

WASHINGTON (AP)—The Justice Department yesterday announced the filing of a civil suit at Newark, N.J., charging five leading assistance alloys with violating the anti-trust laws. The firms are accused of price-fixing and actions designed to prevent others from entering the field.

The defendants, described as reportedly manufacturing most of the nation's resistance alloys and alloy products, are: Wilbur B. Driver Co. and Driver-Harris Co., both of Newark, N.J.; Alloy Metal Wire Co., Prospect Park, Pa.; Hoskins Mfg. Co., Detroit, Mich.; and C. O. Jelliff Mfg. Corp., Southport, Conn.

Electrical resistance alloy products are used in radio and television sets and other home and industrial appliances.

The Newark court was asked for an injunction against the continuance of the restrictive practices alleged in the complaint, and also to take such action as the defendants' patents as it deems necessary.

## Says Ike Is "All Bluff" On Cooking

SEATTLE (AP)—One of President Eisenhower's close relatives says he is "all bluff." About cooking, that is.

The relative is Mrs. Edgar Eisenhower of Tacoma, Wash., the President's sister-in-law at whose home the President stayed while campaigning this fall.

"Being married to an Eisenhower," the sister-in-law told the Women's University Club yesterday, "I know the President's cooking is all bluff. He turns the knob on high, burns it to a crisp and that's all."

WASHINGTON (AP)—The Urban Renewal Administration today announced a \$31,000 grant to the Regional Planning Commission of Lebanon County, Pa.

The grant, plus an equal amount

of local money, will be used to finance general planning work in the Lebanon metropolitan area.

HOW'S THAT? CHARLESTON, W. Va. (AP)—The staff of the Industrial and Publicity

Commission admits some of its \$50,000 queries a year are a bit puzzling.

One letter, written in a child's scrawling hand, said: "I would like some pieces on

West Virginia. I'm going to give a talk on California."

# THREE FINISH ARMY COURSE

Army Privates Rodney K. Wolf, 18, and Lauren W. Starner, 18, of Gettysburg, and Robert M. Wetzel, 18, son of Mr. and Mrs. R. B. Wetzel, Biglerville, R. 2, recently completed the second phase of a six-month tour of active duty under the Reserve Forces Act at Fort Knox, Ky.

All three received eight weeks of automotive maintenance helpers training completing basic combat training at the fort.

Men volunteering for the RFA program are permitted to finish their military obligation in local Army Reserve or National Guard units.

Wolf and Starner are 1956 graduates of Gettysburg High School. Wolf is the son of Mr. and Mrs. Roy C. Wolf, and Starner is the son of Mr. and Mrs. Roland W. Starner, R. 4.

Wetzel is a 1956 graduate of Gettysburg High School and a former employee of H. Earl Pitzer, Inc., in Biglerville.

# Accused Man Hangs Himself In Jail Cell

PHILADELPHIA (AP)—Brady L. Bryner, Jr., a Montgomery County man accused of threatening to kill his mother-in-law, hanged himself in a jail cell at suburban Abington Twp. police station yesterday, police reported.

He was arrested last night after police said he broke down the door of his home seeking his estranged wife and not finding her, threatened his mother-in-law with a poker.

Bryner, son of a Jenkintown automobile dealer, lived in suburban Oreland. He drove his father's harness horses at tracks in this area.

## SAYS DEMS WILL TRY COLLECTIVE LEADERSHIP NOW

By JAMES MARLOW  
Associated Press News Analyst  
WASHINGTON (AP)—The leaderless Democratic party is going to try a kind of collective leadership. The idea sounds reasonable. The question is: Will it work?

Democratic National Chairman Paul M. Butler has invited 20 prominent party members—including Adlai Stevenson and former President Truman—to be advisers to the national committee's 11-man executive committee.

This is the intent: for the advisers to work with the committee in coordinating and advancing party programs and principles based on the 1956 Democratic platform—in short, a program for Democrats to put through Congress.

**Splits, Arguments**  
The result may be party splits and open arguments. The new arrangement may sap some of the congressional power of those two influential Texans: Sen. Lyndon B. Johnson and Speaker of the House Sam Rayburn.

For all practical purposes Johnson, Democratic leader in the Senate, and Rayburn, party leader in the House, will be the day-by-day active captains in Congress where any record the Democrats make must be established.

But already there is disagreement on what the Democrats in Congress should do when it opens up next month. At the moment the Democrats have no agreed plan of action.

Johnson has taken the position that the Democrats should wait to see what legislative recommendations Eisenhower offers before taking a position. As a starter, that doesn't sound very vigorous. Two members of the national committee—Paul Ziffren of California and Mayor David L. Lawrence of Pittsburgh—have openly disagreed with Johnson's let's wait-and-see attitude.

They say the Democrats, in-

stead of waiting for Eisenhower to show the way, should produce a program of their own. And Butler says that program should be based on the 1956 Democratic platform.

For the past two years, when the Democrats controlled Congress, Johnson was given credit for running the Senate smoothly. But he also was criticized for not having steered the Democrats to-

ward more active challenge to Eisenhower.

Johnson is also in disagreement with six Northern Democratic senators who have said they will move on Congress' opening day, Jan. 3, for a change in Senate rules to make it easier to stop filibusters.

Johnson's fellow Southerners—so long as the present rule on debate exists—can smash with a

filibuster or the threat of one attempt by Northern Democrats or Republicans to put through civil rights legislation.

**FOURTH TO LEAD WHITE SOX**  
CHICAGO (AP)—Al Lopez, new manager of the Chicago White Sox, is the fourth former catcher to lead the Pale Hose. The others were Billy Sullivan in 1909, Ray Schalk in 1927-28 and Jack Onslow in 1940-50.

## Truckers' School Proves Successful

BEDFORD, Pa. (AP)—A recently organized school that gives free training in truck driving has proven very successful, says Harold Hershberger, manager of the State Employment Service's Bedford office.

Of the 42 men graduated in the first two classes, only six are still unemployed, said Hershberger, adding that he's confident the 15 who were graduated yesterday will soon have jobs as truck drivers. All had been unemployed before taking the course. Plans are being made for three more classes of about 20 men each.

The six-week course provides classroom work and actual driving and maintenance. The courses

are sponsored by the Bedford School District and are financed by the State Department of Public Instruction. The Pennsylvania Motor Truck Assn. and several labor unions support the program.

Battleship was a great steeplechase horse. However, as a 3-year-old in 1950 he won the Flamingo Stakes, a major flat race, at Hialeah Park.

## LIKES LOVENGUTH

ST. PETERSBURG, Fla. (AP)—General manager Frank Lane of the St. Louis Cardinals, back home after five days in Havana, says he was impressed with pitcher Lynn Lovenguth, recently obtained from Toronto. Lane saw Lovenguth, former Philadelphia property, pitch a four-hitter for Almendares in the Cuban Winter League.

## DRILL TEAMS FROM COLLEGE WILL PARADE

The Littlestown Junior Chamber of Commerce is pleased to announce that the ROTC Drill Team and the Air Force ROTC Drill Team, both of Gettysburg College, will appear in the first Christmas parade on Friday at 7:30 p.m. Both have won widespread recognition for their drills. The teams will repeat the drills performed at Biglerville's

Christmas parade last Wednesday. The marching drill used consists of the stomping high step and the goose-step of high precision. The Air Force ROTC Drill Team is better known as an escort squadron and placed among the top ten of ROTC Drill Teams in the nation at the Cherry Blossom festival in Washington, D. C., placing first in Hagerstown and second in the Biglerville parade.

The parade lineup will include: Mounted marshals, official car, marching unit, unique Air Force float, official Air Force car, float, new cars, drum corps, float, marching unit, float, antique cars, float, Navy official car, representatives of the Ground Observer Corps, mounted marshals, Miss Heidi Nickey who is "Miss Adams County Firemen of 1956" float, pony team,

float, antique cars, float, local organization representatives, Littlestown High School Band and Santa Claus in his sleigh.

### Change In Route

There has been a slight change in the parade route, as follows: Moving from E. King St. to Walnut St., then onto Lumber St., instead of from Renner Ave. to Lumber; from Lumber to S. Queen St., north past the reviewing stand, omitting Boyer and Cemetery Sts. as previously announced.

The Jaycees committee requests that as many people as possible along the parade route turn on their porch lights and any Christmas decorations during the parade to gaily light the route.

Elf stands will be conducted by the Jaycees following the parade. Hot coffee and other refreshments

will be available at the stands, in front of the telephone office and the National Bank.

### Saturday Rain Date

In case of rain Friday evening, the parade will take place at 2:30 p.m. Saturday.

The Littlestown Chamber of Commerce will present the annual Christmas treats to children of the community, up to twelve years of age, on Friday evening. The treats will be given by Santa, who will return to his headquarters, next to the State Bank, immediately following the parade. The community Yuletide lights will also be turned on for the first time this season on Friday night.

Clarence J. Krichen Sr., president of the Chamber of Commerce, has announced that a majority of the local merchants will observe

holiday shopping hours, beginning tomorrow evening, remaining open each evening until Christmas. The stores will close on Christmas Eve at 6 p.m. and observe regular hours each day between Christmas and New Year, closing at 6 p.m. New Year's Eve.

He pulled his seventh job within five weeks yesterday—escaping with \$50, fleeing into a subway and eluding a police cordon. Police say he may have been responsible for eight other holdups that bear his trademark.

Circulars bearing a composite pencil sketch, said by most victims to fit the bandit perfectly, have been distributed widely. The gunman is listed as being between 20 and 23 years old, 5 feet 10, 170 pounds, "built like a football player," and blue-eyed with short cut brown hair.

Yesterday the bandit robbed a 25-year-old expectant mother working alone in an electric appliance shop. It followed by only 24 hours his robbery and beating of a woman in a downtown art gallery.

## HYBRID CORN TEST RESULTS ARE REVEALED

Results of the annual hybrid corn variety demonstrations conducted under sponsorship of the Adams County Agricultural Extension Association were announced today by County Agent Frank S. Zettie.

In the demonstrations, Zettie said, dealers were given the choice of two varieties in each demonstration and attempts were made to adjust the plant population with the amount of fertilizer applied and the fertility of the soil. Yields listed are in bushels of shelled corn figured on 15 1/2 per cent moisture basis.

At the Clay Snyder farm, Gardeners, 200 pounds of a 5-10-10 row fertilizer was applied and 80 pounds of nitrogen was plowed down. The soil was old alfalfa-grass, the soil type Highfield (copper stone), the population was 17,000 plants per acre and the corn was planted May 24 and husked October 30. Root rot was heavy. Zettie said.

### Reports On Yields

Percentages of moisture varied from 25.5 to 33.1. The yield of bushels per acre was as follows:

Pennsylvania 811, 146.3; Pennsylvania 840, 143.6; Funk G-91, 143.1; Penn. 870, 146.3; Funk G-95 A, 139.3; Pioneer 329, 137.2; Pioneer 301, 136.6; Todd 844, 135; Pennsylvania 807, 132.8; Dekalb 803, 130.1; Ed. J. Funk 440, 129.1; Dekalb 801, 128.6; Ed. J. Funk 746, 128.5; Ohio W-64, 125.3; Pfister 303, 121; Pennsylvania 602 A, 119.3; U.S. 13, 118.3; Todd 631, 112.3 and Pfister 234, 105.8.

### Other Reports

At the John Swartz farm, Littlestown R. D., the row fertilizer was 300 pounds 5-10-10 and the fields were manured heavily. Soil was clover and timothy and the soil type, Reddington. Population was 10,500 plants per acre and root rot was slight. Moisture percentages ranged from 23.2 to 30.9 at harvest time. The corn was planted June 4

and husked November 8. The number of bushels per acre of shelled corn obtained were: Todd 620, 72.4; Pennsylvania 840, 71.6; Dekalb 414, 68.8; Pennsylvania 807, 68.7; Funk G-75 A, 68.6; Ed. J. Funk 746, 68.4; Funk G-91, 67.5; Dekalb 620, 67.5; Penn. 870, 66.2; U.S. 13, 66.2; Pennsylvania 602 A, 66.1; Pfister 234, 65.7; Ed. J. Funk 440, 65.7; Pfister 403, 65.2; Todd 870, 64.8; Pioneer 329, 63.4; Pennsylvania 811, 59.8; Pioneer 302 A, 53.6.

Results on the spring oats variety plot at the H. Russell Grove farm, Gardeners, were as follows: Craig, 67.1 bushels per acre; Ajax, 66.8 bushels; Garry, 64.6 bushels; Clinton 59, 59.6 bushels and Rodney, 58.9 bushels.

## Littlestown HORNBERGER IS RE-ELECTED BY ALPHA FIREMEN

George E. Hornberger was re-elected president of the Alpha Fire Company No. 1 of Littlestown at the month meeting held on Tuesday evening in the engine house. Other 1957 officers elected include: Vice president, Clair J. Redding; secretary, Harry W. Badders; treasurer, Paul E. Altoff; trustee for five years, Jay D. Basehoar; fire chief, Glenn E. Ohler; truck foreman, Dennis S. Wallick; pipe foreman, Jack H. Crouse; chief nozzleman, Kenneth Shenebrook; drill captain, Fred C. Sentz; trustee of the relief fund for three years, James U. Bowers. Serving on the board of elections were Donald L. Belford, Robert C. Koontz and John Krichen.

The session, which was attended by 55 members, was conducted by President Hornberger, and opened with the singing of "America" followed with the Lord's Prayer. Secretary Badders gave his report. Paul E. Altoff, who is company treasurer and also treasurer of the Uniform Rank, gave the annual report of the Uniform Rank Fund, revealing that the company participated in twelve parades, including the State Firemen's Convention parade. The marching unit won ten first prizes, totaling \$945; one second prize of \$250, at Martinsburg, W. Va., and a fourth prize of \$50, at the convention parade in Scranton, a total of \$1,235 earned. The Littlestown High School Band, which provided musical accompaniment for the marching unit, won an additional \$230. Expenses for transportation and meals, excluding the Scranton trip, totaled \$634.40; with the Scranton trip, expenses were \$1,129.90, leaving a net gain of \$105.10 for the season.

### Meet Next January 8

James Myers was elected to membership in the company. Howard Myers was nominated for membership. The president appointed Lloyd Harner, Dennis Wallick and Edward L. Warner to the investigating committee. Bills were ordered paid amounting to \$105.46 and receipts of the evening were \$19. A committee to audit the treasurer's books consists of Henry E. Waltman, Merle Little and David E. Greason.

Fire Chief Glenn E. Ohler reported two calls since the last meeting with no resulting damage. A new social committee appointed to serve for the next three months includes Fred A. Miller, Kenneth G. Eyer and Allen Shenebrook. President Hornberger, Secretary Badders and Treasurer Altoff will serve as a Christmas cheer committee to visit the ill and convalescent members of the company with a Christmas remembrance. Anyone knowing of a fireman who should be remembered at this time is asked to contact a member of the committee. It was announced that the next quarterly meeting of the Adams County Firemen's Association will be held on Monday, January 7, 8 p.m., in the New Oxford Fire Hall.

The next meeting of the company will be postponed one week due to New Year Day, and will be held on Tuesday, January 8. At the conclusion of the business session, refreshments were served by Marvin Miller, Robert King and Clair J. Redding.

### Auxiliary To Elect

Officers were nominated at the December business session and Christmas party held by the Ladies' Auxiliary to the Alpha Fire Company No. 1 on Monday evening in the engine house. The slate includes: President, Mrs. Ottilie Weaver; vice president, Mrs. Annie Rebert; secretary, Mrs. Doris King; treasurer, Mrs. Dorothy Burgoon; trustees, Mrs. Annabelle Ohler and Mrs. Mary Dillman. Election will take at the next meeting on Monday, January 7.

Twenty-nine members and their

guests attended the covered dish supper held prior to the business. Gifts were exchanged, "secret sisters" revealed, and 1957 "sisters" chosen. Three new members were welcomed: Mrs. Elva Weaver, Mrs. Cienewa Hood and Mrs. Margaret Baker. The guess package, given by Mrs. Esther Harner, was won by Mrs. Mary Arnold. Reports were heard from the secretary, Mrs. Beverly Kibill, and treasurer, Mrs. Dorothy Burgoon. The pre-Thanksgiving party sponsored by the Auxiliary was reported a success. Mrs. Annabelle Ohler, Mrs. Edna Koontz, Mrs. Viola Badders and Mrs. Virginia Boyd were appointed to serve as the January hostesses. Serving for the Christmas covered dish sup-

per were Mrs. Rebert, Mrs. Harner, Mrs. Burgoon and Mrs. Bernardine Rickrode.

### Plan For Christmas

Christmas activities were planned at the December meeting of the officers and teachers of the Children's Division of Redeemer's Church School, held in the church social hall on Tuesday evening. The annual Christmas program by the children will be presented in the church sanctuary on Sunday, December 23, at 10:30 a.m. Those in charge are requested to have their portion of the program written and placed in the pastor's study by Sunday, December 16, so that publication can be arranged. The annual treat for the children of the

school will be given on Sunday morning, December 23. The following committee was appointed to be in charge of purchasing the treats: Mrs. Gene A. Hankey, Mrs. Robert H. Miller, Mrs. Robert H. Thomas and Mrs. Edward B. Geiman.

The December session opened with the Scripture reading by Miss Bernice Currens, followed with the Lord's Prayer in unison. Mrs. Donald C. Feaser was acting chairman in charge. Reports were given by Helen Jacobs, secretary, and Mrs. Robert W. Hall, treasurer. It was reported that storage shelves are being built in the Nursery Department. During the social hour, refreshments were served by Mrs. Feaser and Mrs. Hall.

## BURGESS NAMED AIRLINE CHIEF

LOS ANGELES (AP) — The announcement that Carter L. Burgess will be the new president of Trans World Airlines today stirred speculation over what salary it took to lure him from his Pentagon job.

He told President Eisenhower yesterday that he was quitting as assistant secretary of defense "in order to provide for my growing family." The 39-year-old official has five daughters.

As assistant secretary he is making \$19,000 a year.

Spokesmen for TWA and the

Hughes Tool Co., of which TWA is a subsidiary, were mum on Burgess' starting salary — and exactly when he will start it.

However, his predecessor, the late Ralph S. Damon, was listed by aviation trade publications as earning \$100,000 a year. Aviation experts are guessing that Burgess will make about the same.

Burgess said in Washington yesterday that his resignation will take effect not later than Feb. 1. In a 15 year period from 1941, fires caused the most accidents in the U. S. with 5,241 fatalities. Floods and other weather disasters were second most fatal, and automobile accidents took third place.

## Mount Glee Club Will Sing Christmas Concert Sunday

The Mount St. Mary's College Glee Club, Emmitsburg, will present its annual Christmas concert Sunday evening at 8:30 o'clock in Flynn Hall. The concert in three parts will feature Christmas at Mount St. Mary's, at home, and Bethlehem.

The first portion will present group singing and the Salutation by Beniz, the Alma Mater Melody, De Animals A-Comin', Comin' Through the Rye, and Give Me Your Tired, Your Poor. Guest soprano soloist Mary Jane Kemp, will offer L'Amour, Toujours L'Amour, Kenneth Lacy, baritone, and James Campbell, tenor, will sing If I Could Tell You and In My Garden. Tenor William Gilpatrick will sing I Could Have Danced All Night.

In the second portion the Glee Club will offer traditional Christmas carols such as Silent Night, Good King Wenceslaus, The Coventry Carol and other numbers. Tenor Richard Ensor will sing Jesus, Jesus, Rest Your Head.

For the third portion of the program the choraleers will offer A Carol Medley and We Three Kings of Orient Are featuring Richard Corcoran, Joseph Sgroi, and Edward Girzone, Miss Kemp and the Glee Club will sing Cantique de Noel and With Glory Lit The Midnight Air.

Miss Kemp, soloist, is a well-known artist with rich musical experience. She was the winner of the 1940 American Federation of Music Clubs Contest in Richmond, Va., and from 1952 through 1956 was a scholarship winner of the National Society of Arts and Letters, Washington, D. C. She has appeared as a soloist with many glee clubs, colleges, and the Cantata Choir of Washington. She has been a soloist with the Baltimore Symphony and has appeared in the San Antonio Opera Festival, and with the Philadelphia Opera Company. She was sung in the Baltimore Civic Opera productions of "Madame Butterfly," "Faust," and "Die Fledermaus."

The Rev. David W. Shum, professor of music at Mount St. Mary's College, will direct the Glee Club. The moderator is Rev. Peter A. Coad, dean of the Mount faculty.

Right Rev. Msgr. John L. Sheridan, president of Mount St. Mary's, will offer greetings at the concert.

## Hold Services For Murdered Mother

BROCKWAY, Pa. (AP) — Funeral services were held yesterday for a 38-year-old woman who police say was slain by her 16-year-old son.

The victim, Mrs. Melinda Lavella, of Crenshaw, Jefferson County, was buried in St. Tobias Cemetery.

Sheriff Floyd R. Baun said plans had been made to take the accused son, Samuel, to view the body but were cancelled at the request of relatives.

Police say Samuel has admitted killing his mother with a shotgun in their home Saturday night after she scolded him. Hunters found her body Sunday in a wooded section 13 miles from the Lavella home.

## GOOD ADVICE

ALBUQUERQUE, N.M. (AP) — The police radio dispatcher gave this bit of excellent advice to all cars last night: "If you see a man carrying a cash register, arrest him."

## SEN. DENT MAY QUIT PA. SENATE FOR PIKE JOB

HARRISBURG (AP) — Sen. Dent, Westmoreland, Democratic floor leader, was reported today ready to quit the Legislature, should Gov. Leader appoint him to a vacancy on the Pennsylvania Turnpike Commission.

Otherwise, Dent was in line for re-election to lead Democratic forces on the Senate floor during the 1957 session of the Legislature.

Sen. Barr, Democratic state chairman, has called a caucus of the minority members of the House and Senate for Dec. 17 to organize for the session. Gov. Leader is expected to appear at both meetings.

## Re-elected Last Month

Dent was elected last month to another four-year term in the Senate. There would be a question whether he could take over a post in the executive branch because of his election.

Friends of Dent take the position that until he is sworn in again as a senator when the Legislature convenes Jan. 1 there is no question that he could accept an appointive office.

Should Dent remove himself from the leadership post, the way would be open for Sen. Lane (Washington) to make a bid for it.

## Sen. Ruth Favored

Sen. Ruth (Berks) appears favored for assistant floor leader although nothing definite is set.

Rep. Readinger (Berks) appeared to be certain for re-election as House Democratic floor leader. Rep. Andrews (Cambria), who served as speaker in 1955 and as floor leader in prior sessions, has said he wouldn't oppose Readinger for the job.

Andrews, 80, can have the assistant floor leader's post if he wants it but he is expected to retain the role of "elder statesman" on the Democratic side.

In the case, Rep. Lovett (Westmoreland) would be expected to take over the whip's job. He is the senior Democrat in the House.

Edwin L. Drake, a railroad conductor, drilled the first United States paying oil well in 1859 at Titusville, Pa.

Members of the Mt. St. Mary's Glee Club which will present its annual Christmas concert Sunday at the Emmitsburg institution include the following:

Back row, left to right: Eugene Byrnes, James Willey, Leonard Babb, Kenneth Lacy, Walter Keffer, Richard Garand, John Breth, William Gilpatrick, David Reedy, Peter Driscoll, Charles King, Neil Feehley, James Courtney, John Hanlon, Edward Girzone, William Carle, Eugene De-Genova, Richard Augello.

Front row: John Cassidy, James Tompkins, Owen Mullen, Charles Salaki, James Kleindienst, Joseph Grace, Thomas Jacobi, Richard Ensor, Cyril Malloy, Richard Clark, James Bogan, Joseph Sgroi, Neil Kenny, Robert McDonagh.

## YANKEE PLAN TO BOLSTER NATO IS TURNED DOWN

By WARREN ROGERS JR. WASHINGTON (AP) — Diplomats disclosed today a U.S. plan to strengthen Atlantic Alliance unity by creating a NATO supercouncil has been brushed aside by America's European allies.

As a consequence, they said, the idea — first proposed by Secretary of State Dulles at Paris last May — is being abandoned by the United States, at least for the time being.

Dulles' suggestion was ignored by a three-member committee which has just completed a report recommending changes in the North Atlantic Treaty Organization. Its report, which is understood to contain no recommendations for radical departures from the present NATO setup, will be studied at the NATO foreign ministers' session in Paris early next week.

Two More Issues That meeting, for which Dulles leaves Saturday, also has two other major points on its agenda. The first is a general discussion of military plans for the next 12 months. In keeping with the atomic age trend of placing more reliance on modern weapons than on manpower, some troop trimming might be recommended.

The other point will be a round-robin discussion of world events, including the British-French-Israeli action in Egypt, Russia's use of force in Hungary, and the ever-present issue of German reunification.

Possible reorganization of NATO into something more than a military alliance has been under study since last May by the committee. Its three members, dubbed the "Three Wise Men," are Foreign Ministers Lester B. (Mike) Pearson of Canada, Gaetano Martino of Italy and Halvard Lange of Norway.

Plan Not Endorsed As part of their study, they sent a questionnaire to each of the 15 member nations. One U. S. suggestion, inform-

ants said, was Dulles' proposal that a supercouncil, composed of the NATO countries, get together frequently.

These officials would seek to achieve greater solidarity in the economic, social and cultural field. They would be able to deal promptly with tough political problems like the Middle East,

## THREE MEN ARE BLOWN TO BITS

EAST ALTON, Ill. (AP) — All three men working in a storage shed for nitroglycerin solvent apparently were blown to bits at the Olin Mathieson Chemical Corp. yesterday.

Parts of two bodies were found. A third man was listed as missing and presumed dead.

A few hours later one employee was killed and four others were injured in an explosion at the firm's chemical plant in Niagara Falls, N.Y.

The East Alton blast demolished three buildings and damaged three others. It erupted a ball of fire which set several buildings ablaze.

Twenty-seven persons were hurt four seriously.

The dead here were listed as William Schoenbaum, 61; Floyd F. Wisnasky, 36, and Gerald Dillard, 54.

The victim at Niagara Falls was Russell Thrasher, 26.

Fill hamburger buns with chicken salad, wrap in aluminum foil and heat in a moderate oven for 15 to 20 minutes. Nice for lunch or evening snacks because these sandwiches can be prepared ahead and wrapped, then put in the oven just before serving.

## 'Driving Classes Called Important'

PITTSBURGH (AP) — Pennsylvania's driver training program in high schools is an important factor in traffic safety, according to E.W. Parkinson, assistant manager of the Pennsylvania Automotive Assn.

He told a seminar for new car dealers yesterday: "Pennsylvania's new car dealers feel support of the driver training program in the state's high schools is a vital public service and constitute an important contribution to traffic safety."

Not in 700 years, say scientists, has it been so dry in some places. He also may, when he stops to talk to farm leaders, find bitterness aimed at the government.

Some farm experts claim federal drought relief has been too little and too late. And these experts say President Eisenhower is coming too late—he should have come in the summer and spring to see how brown the fields were when they should have been green.

## NATIONALS ARE NEAR PANIC IN PORT SAID AREA

PORT SAID, Egypt. (P)—Another batch of British and French forces left Port Said today. The growing pace of the troop withdrawals caused near panic among the city's European communities.

Task force headquarters said 1,853 set sail aboard the troopship Dilwara for England. More than 2,000 left yesterday. Another troopship is being loaded for departure within the next day or two, and three more troopships are expected in port shortly.

The Italian and Greek consuls here sent urgent appeals to their governments for evacuation ships to take away jittery civilian families before the bulk of the British-French military force departs.

### Harassed By Threats

The sight of military truck convoys packed with troops and equipment streaming to the harbor was unimpressive for European civilians who have been harassed by threats from Egyptians.

Yesterday Egyptians burned down a Woolworth store and ransacked a drugstore in defiance of a British-French move to force reopening of the city's shops and restore normal business activity.

Lt. Gen. Hugh Stockwell, commander of the British-French task force, has said he was prepared to assure the evacuation of several thousand European civilians if necessary.

In another aspect of the withdrawal problem, Maj. Gen. E.L.M. Burns, commander of the U.N. Emergency Force, flew to an Israeli headquarters for talks on pulling Israeli forces out of the Sinai Peninsula.

Production committee members were: Miss Ruth McIlhenny, Mrs. Heldt and Mrs. McGuire. Costumes were designed and made by Mrs. Mary Dolly. Fred Pfeffer was make-up man.

A gift from members of the Fellowship was presented to the Rev. and Mrs. Clyde R. Brown by Mrs. Richard Brown, the retiring president.

Hostesses for the meeting were: Mrs. Russell Hackman, Mrs. Charles Bollinger, Mrs. John Congleton, Mrs. Howard Ellender, Mrs. Irene Robinson, Mrs. Milton Stokes, Mrs. Donald Swope and Mrs. Frank Skidmore.

The Fellowship will hold the next meeting Wednesday, January 29. A color film, "This High Calling," showing the Presbyterian church at work, will be shown.

ing the closing stages of the much-delayed general debate in the Assembly. It said:

"An authorized source today issued the following statement to MTI (official Hungarian news agency) in connection with reports that Hammarskjöld is intending to visit Budapest on Dec. 16.

"Concerning the date of this visit, the Hungarian government retains its unchanged opinion expressed in its letter to the United Nations secretary general on Dec. 1. The secretary general is welcomed by the government at a later time which would be suitable to both parties.

"In view of the fact that the Hungarian government has not received an official request fixing the date for the proposed visit and in addition to the fact that the mentioned date is not suitable for the Hungarian government, it follows that the Hammarskjöld visit will not take place on Dec. 16."

## COUPLE MARKS ANNIVERSARY

An "open house" on the occasion of the fiftieth wedding anniversary of Mr. and Mrs. Simon P. Stull, Biglerville R. 1, was held Sunday in the Greentown fire hall. A buffet

was served to about 90 guests, friends, neighbors and relatives. The party was planned and given by the Stull family. Gold streamers and yellow mums decorated the hall and on the center table was a five-tier wedding cake.

Mr. and Mrs. Stull were married November 28, 1906, at Rouzerville by the late Rev. John Bowers, former pastor of the UB Church.

The Stulls' ten children are: John Baltimore; Charles, formerly of Talcott; Amos, Gettysburg; Millard and Paul, Hanover; Cleameth and Lloyd, Biglerville; Kenneth, Mechanicsburg; Mrs. Henry Wilt, Needmore, Pa.; Mrs. Clair D. Mickey, Gettysburg. Mr. and Mrs. Stull are grandparents of 33 grandchildren and 13 great-grandchildren.

Friends and relatives from Scotland, Waynesboro, Rouzerville, Biglerville, Arendtsville, Hanover, Mechanicsburg, McSherrystown, Pittsburgh, Hagerstown, Emmitsburg, Seven Stars and Gettysburg attended the celebration.

## ENROLLMENT IN U. S. SCHOOLS SETS RECORD

WASHINGTON (P)—Enrollment in the nation's schools, from kindergarten to college, hit a record 39,353,000 this fall.

The Census Bureau, making the announcement today, said this was an increase of 4,903,000 since the fall of 1953 and a gain of 1,927,000 over last year.

The totals include enrollment in public, private and church schools and colleges. The count covered persons 5 to 34 years old and was made for October in the comparable years.

Sexes Nearly Even  
More than 99 per cent of all children 7 to 13 years old were enrolled in school in October. That percentage has been holding almost steady for the last few years.

More than 88 per cent of those 14 to 17 were enrolled. This represents an increase from just below 86 per cent in 1953. The proportion of persons over 17 who were enrolled also was higher.

About the same proportion of males and females under 18 were on school rolls this fall but in the older age groups there was a far larger proportion of males.

## County Farmers To Meet On Monday

The Adams County Farmers' Association will hold a general meeting, open to all persons interested, on the corn referendum program, Monday evening at 8 o'clock at the Adams Electric Cooperative Building, rear of N. Stratton St.

Richard Pannay, district field representative for the Agricultural Stabilization and Conservation program, will give details on the two choices open to farmers in the referendum. The election will be held Tuesday. Al Saylor, research director for the Pennsylvania Farmers' Association, will also be present for the meeting.

George Haehn, of the board of directors of the Farmers' Association, said the meeting is being held "to get an explanation of what the program means to Adams Countyans so we can make an intelligent choice." The farmers will vote Tuesday on whether they wish to continue the corn acreage allotment program or adopt a soil bank program for corn.

plans to hold another rifle safety course for Boy Scouts under the direction of Charles Polley starting in January.

### Name Scoutmaster

Hafer announced plans to begin a series of "Round Tables" on scouting, cubbing and exploring in January.

Appointment of Magnus Flaws as scoutmaster and David Harmon as assistant scoutmaster for the Biglerville Boy Scout troop was reported by Dr. Hewetson. Allen Stauffer reported progress for the Biglerville Cub Scouts. Ray Shupe, institutional representative for the Hunterstown troop, announced that with two new members signed and one in the process his unit expects to meet its membership goal by December 15.

Dr. Joseph H. Riley announced plans for the annual Christmas party for the Boy Scouts, to be held next Tuesday evening at the Gettysburg High School gymnasium. All Cub Scouts and Explorers are invited to the party, he said. The Scouts were asked to bring 25-cent gifts which will be turned over to the local orphanage.

near Budapest's west railroad station. No injuries were reported.

Hungarian police under Soviet orders used rifle butts to rout one group of 1,000 men, women and children in Freedom Square before the U. S. legation. Several demonstrators fell before the police attack. Witnesses said some of those arrested and taken away included children.

### Use German Bases

Russian tanks and armored cars moved against other demonstrations before the British legation and at Petofi Square and Calvin Square.

Meanwhile, the U. S. Defense Department said American military planes carrying Hungarian refugees to the United States will operate from Germany instead of Austria. The department explained the step was being taken to knock down Russian pretenses for charges that Austrian neutrality is being violated.

The Defense Department said the Air Force will fly from 8,000 to 9,500 Hungarians to America. The airlift, carrying 500 persons daily, is to begin Dec. 10 or 11. Commercial planes are expected to fly out another 500 a day. The United States also will provide ocean shipping to assist in the movement.

### BIXBY DOING BETTER

HANOVER, N. H. (P)—George Bixby of Dartmouth twice broke the school's varsity mark with the 35-pound weight throw against Brown. He had tosses of 54 feet 5 inches and 54 feet 9½ inches. In 1955 his best mark was 52 feet 6½ inches.

## 140 HELD FOR TREASON PROBE IN SO. AFRICA

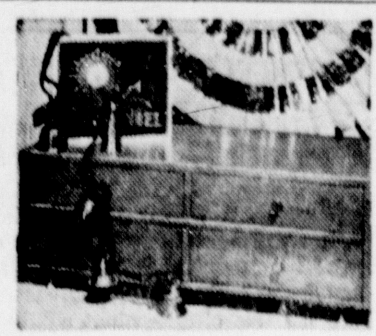

JOHANNESBURG, South Africa (P)—The government today held 140 men and women at a prison fort here for a treason inquiry pointed at foes of South Africa's racial segregation policies.

Those arrested in a countrywide sweep include whites, Africans, Indians and persons of mixed blood. They face court hearings in the country's first peacetime treason prosecution.

They were swept up in raids at various points on bodies opposing racial segregation (apartheid) and on leftist groups. Most of them were flown to Johannesburg by military airlift.

A preliminary hearing for some of those arrested was recessed until Dec. 19. The prisoners were held without bail.

## STOCK PRICES GAIN

NEW YORK (P)—The stock market nudged ahead today in moderately active early trading.

Key issues were up fractions to around a point. There were a few losers.

Brokers said that the continued rise yesterday was a further demonstration that last week's test of the market's lows had been successful. Wall Street observers felt that neither the Suez Canal situation nor the Hungarian struggle would lead to a major world crisis. Meanwhile, the general run of business and economic news was good.

## Emmitsburg TO ILLUMINATE XMAS LIGHTS ON SATURDAY

Christmas lights will be turned on Saturday evening in Emmitsburg, it was announced today by Burgess Clarence G. Fralley. In addition to lights strung across the streets there are four large trees on Center Square which will give a holiday touch to the community.

Holiday plans are well under way with the Lions Club, town merchants and patrons planning to hold the 28th annual Lions Club party for the children of the community Monday morning, December 24. There will be free movies from 10 to 11 a.m. Christmas Eve for the youngsters at the Gem Theater, W. Main St., it was announced. Afterwards lunch will be served to the kiddies in the fire hall, W. Main St., by members of the Emmitsburg Homemakers Club.

A children's parade will be held at 2 o'clock in the afternoon Christmas Eve under the leadership of the Emmitsburg Municipal Band Santa Claus will make his appearance on Center Square following the parade where he will distribute gifts to the youngsters.

Other Christmas plans include the annual Carol Sing on the lawn of the Presbyterian Church, W. Main St., December 18 at 8 p.m., in which the entire community will participate. The church, which will serve as host for the occasion, invites everyone to join in the Yuletide event. Later cookies and coffee will be served to the singers. Interest in carol singing has increased each year in Emmitsburg so that the coming event promises to be well-attended.

### 3 MASSES SATURDAY

Masses will be said at St. Joseph's Catholic Church, Emmitsburg, Saturday morning at 5:30, 6:30 and 8 o'clock, it was announced today by the pastor, Rev. Fr. John D. Sullivan, C.M., in honor of the Feast of the Immaculate Conception, a holy day of obligation for Catholics.

## Taneytown

The closing Evangelism Mission service at Elias Lutheran Church, Emmitsburg, will be held Friday evening at 8 o'clock. The sermon "Spiritual Enrichment" will be given by Rev. Roy Yund. Rev. Philip Bower has asked the congregation to make this closing night a "Rally Night" in attendance. The public is invited. The United Lutheran Mission for the Frederick area will close with a rally for all Frederick County churches in the Frederick High School, Friday night at 8 p.m.

The United Lutheran Church Women will meet next Tuesday night at the home of Mrs. E. R. Shriver, Emmitsburg. Members are asked to bring a Christmas gift for an aged person. A box for the United Lutheran Home in Washington, D. C., will be packed. Others are invited to send gifts to the home of Mrs. Shriver for this Christmas box.

## DEMOCRATS SPENT LESS THAN GOP IN PA.

HARRISBURG — The Democratic State Committee today reported it spent \$105,324 in the 1956 election campaign while receiving \$112,212 in contributions.

This compared with more than a half million dollars in campaign expenses reported by the Republican State Committee yesterday. The finance committees of each party were expected to make their reports to the State Elections Bureau before today's deadline expires.

### List Big Donors

Individual contributions to the Democrats included \$3,000 each from Sen. Barr, Democratic state chairman; H. K. Hochschild, Mrs. Mary Lasker, L. K. Christie and Ruth and Marshall Field. Mayor David L. Lawrence, Pittsburgh, was listed for a \$2,000 contribution; R. J. Reynolds for \$2,999, and A. E. Oblock, \$1,500. Donations of \$1,000 each were reported from Gov. Lead, Lt. Gov. Roy E. Furman, Internal Affairs Secretary Genevieve Blatt, Joseph F. Spatola, John C. Hoffer and

## THREE DAILIES IN LONDON SAY EDEN REIGN ENDS

LONDON — Prime Minister Eden's government was expected tonight to win a House of Commons vote tonight keeping it in office, but Britain's big newspapers split about even on Eden's chances of holding his own job.

Three nationally distributed dailies said Eden is finished and will have to make way for another Conservative prime minister to give the party a new lease on political life.

Three other papers thought Eden would hold on. One said maybe he could, and another — the Times of London — voiced no opinion.

As Commons went into the closing round of debate on the Suez invasion, the Conservatives closed ranks in preparation for the vote of confidence on the wisdom of the military venture and the current withdrawal from the Suez Canal zone.

### Silent Disapproval

A dozen or so Conservatives were expected to abstain in the voting, in silent disapproval of the withdrawal without insuring international control of the canal. With the government's overall majority at 59 votes, a minor rebellion would not force it to resign.

But criticism was rising in the Conservative ranks against Eden, resting in Jamaica from "severe

Judge Philip Carr of the State Superior Court.

overstrain" and due back in about 10 days. Some influential Conservatives, were saying the Prime Minister would be under heavy pressure to resign way for another Conservative to take over without a general election the party this time might lose.

### Opposed in Own Party

Eden's continuing in office was opposed for a variety of reasons by varying groups in his own party. Some thought he should not have ordered the invasion of Egypt, or should not have kept the United States in the dark about his plans. One faction of diehards was bitter at the pullout leaving President Nasser in control of both Egypt and the canal. Many were concerned over the rift with the United States and the economic crisis ahead.

Acting Prime Minister R. A. Butler was the likeliest man to become prime minister should Eden step out, but there was some feeling he was too closely identified with the decision to move against Egypt. Two dark-horse candidates were Colonial Secretary Alan Lennox-Boyd and Sir Winston Churchill's son-in-law, Housing Minister Duncan Sandys. Both have remained outside the Suez controversy.

### FINED FOR HITCHHIKING

Four men pleaded guilty before Justice of the Peace John H. Baschore to charges of hitchhiking on a public highway Tuesday.

Paul N. Caputo, New York City, and Gerald T. Butler, Naspeth, N. Y., each paid fines of \$2 and costs. Cogan S. Gerard, Bayonne, N. J., and Ronald Hulther, Elizabeth, N. J., were released on promises to pay later.

## CHOU EN-LAI BACKS U. S. ON EGYPT STAND

MADRAS, India — Premier Chou En-Lai of Communist China today endorsed the position taken by the United States in the U. N. debate on the Egyptian conflict. He described it as "correct," but then said he was "more concerned" about two other questions of American policy in the Middle East.

"Is the United States trying to take over British and French positions in Egypt and does the United States still support the British and French idea of international control of the Suez Canal?" Chou asked. He added that he supported the policy of the African-Asian nations on Egypt "for an immediate withdrawal of British-French forces, with the United Nations supervising their withdrawal and helping clean up the canal."

### Enjoying Trip

The smiling Chinese leader, obviously enjoying his trip through India as part of his seven-nation tour of Asia, expressed his views at his first press conference since he arrived in India Nov. 28.

Chou evaded a direct reply to a question about 10 Americans still in Chinese jails. Asked to comment on Indian Minister V. K. Krishna Menon's remark in New York that he would not be surprised to see the Americans released soon, the Chinese Premier replied:

"Mr. Menon always has optimistic hopes." Then he added, "Mr.

## ARCTIC COLD HITS NORTHERN PLAINS, ROCKIES

By THE ASSOCIATED PRESS  
Arctic air brought bone-chilling weather to most of the Northern Plains and sections in the Rockies today. Temperatures dropped to near 25 below zero in Montana.

The icy Canadian blasts, moving southward and eastward, extended from Idaho to Lake Michigan and southward through Missouri and Oklahoma.

Readings dropped rapidly toward the zero mark from Nebraska through Minnesota and were below zero in most of the Dakotas, Wyoming and Montana. It was -24 at Glasgow, Mont., early today.

### Snow In Montana

Fairly heavy snow covered the ground in the frigid belt, with up to two feet in the mountain areas of Montana.

In most areas south and east of the wintry weather, temperatures were mild for the season. But the cold air was expected to continue to spread into western New York and Pennsylvania and as far south as New Mexico and northern Texas.

## Santa Claus Finds Refugee Kiddies At Camp Kilmer, N.J.

CAMP KILMER, N.J. (AP) — Dozens of Hungarian children, uprooted in bewilderment from their homes only a few days ago, awoke today to find that the spirit of St. Nicholas lives around the world.

When they looked at their shoes polished so brightly in hope, they found a wonder of wonders — St. Nicholas had paid them a visit.

Even though they were thousands of miles from their homeland and living in an Army barracks, the old gent had found them.

Follow Their Tradition  
He left them the traditional gifts: dolls, games, candy — and switches.

They were small gifts, in their tradition that says the big gifts come on Christmas Day, the small

ones on Dec. 6 from St. Nicholas, whom Hungarian youngsters consider their special protector.

While the children were nestled all snug in their beds, volunteer workers from the Red Cross quietly delivered the packages last night to Hungarian refugee parents billeted here.

Through Red Cross  
The gifts, all new, were donated by various organizations through the Red Cross.

The symbolic switches — another part of the tradition that calls for the youngsters to shine their shoes and set them out for gifts — were "pulled off some trees around here," a Red Cross spokesman said.

This season marks the 11th for Lyles Alley as coach of the Furman basketball team.

### SEE BIRTH INCREASE

WASHINGTON (AP) — The Public Health Service predicts 111,000 more babies will be born in the United States this year than last. During the first nine months of 1956, it said, births were running nearly 3 per cent ahead of those for last year, and it estimated this year's total at 4,202,000.

Book beer is served in the early spring.

## Newspaper's In Free World Refugee's Greatest Surprise

HARRISBURG (AP) — It's been 12 years since Karl Rat has seen a paid newspaper advertisement. He can't read a word of English, but he intends to look over all the ads in every newspaper he can find.

Karl is a recent Hungarian refugee who came to Harrisburg yesterday.

"It was my greatest surprise when I got a look at newspapers published outside Communist-controlled countries and saw all the ads they carry," he said.

"In Hungary since the Communists took over, they own everything and handle the distribution of everything, so why should they bother advertising?"

### She Killed Five Reds

Rat, 43, left his young wife at Camp Kilmer, N.J., where she is

receiving medical attention. She killed five Russian soldiers with machine gun fire and was wounded in the leg during Budapest fighting, Rat said.

A former magazine photographer in Budapest, Rat has been offered a job with a Harrisburg news photography service. He is staying for the time being with The Rev. Mr. Joseph Balazs, pastor of Calvary Presbyterian Church, who left Hungary six years ago.

Yesterday Rat had a visit with Gov. Leader.

"The poor man was just so overwhelmed about everything that I don't exactly know what his reaction was to meeting the Governor," the Rev. Mr. Balazs said.

## SAYS LUTHERAN CHURCH GROWS

ATLANTIC CITY, N. J. (AP) — The United Lutheran Church is growing by leaps and bounds.

Dr. Donald Houser of Chicago, a church official, told the church's Board of American Missions last night that 89 congregations were set up in the United States and Canada this year, and another 68 congregations are expected to be added next year.

The 89 new congregations tops the previous record of 72 in a year.

In another report, Dr. Elwood Bowman of Philadelphia said the church has loaned a record \$2,116,000 to 116 congregations this year for construction or improvement of church property.

The board approved a plan to study problems created for city churches by wholesale movements

to city suburbs.

In Washington yesterday, the Rev. Dr. Lawrence D. Folkemer, pastor of the Lutheran Church of the Reformation there, was elected president of the board of higher education of the ULC.

He succeeds Millard Gladfelter, provost of the Temple University.

## Duff Will Return To Law Practice

PITTSBURGH (AP) — Sen. Duff (R-Pa.) says he expects to return to the practice of law when he leaves his Senate post next month.

Duff, former governor of Pennsylvania, told friends yesterday he will practice in Pittsburgh and Washington. A resident of suburban Carnegie, he was here for the funeral of an uncle, S. Howard Jackson.

Duff sought re-election in the No. 6 general election but was defeated by Democrat Joseph S. Clark, former mayor of Philadelphia.

## Hospital Official Faces Tax Charge

PHILADELPHIA (AP) — The administrator of the Wynnefield Hospital here is free on a \$1,000 bail pending the outcome of an appeal of his conviction for income tax evasion.

Dr. Benjamin N. Litman, 42, received a sentence of 60 days imprisonment and a \$500 fine yesterday. Execution of the sentence was delayed pending the appeal.

The physician was convicted in U.S. District Court here Tuesday of evading income tax payments in 1952, 1953 and 1954. The government said he earned \$269,928 in those years.

### GIRL IS KILLED

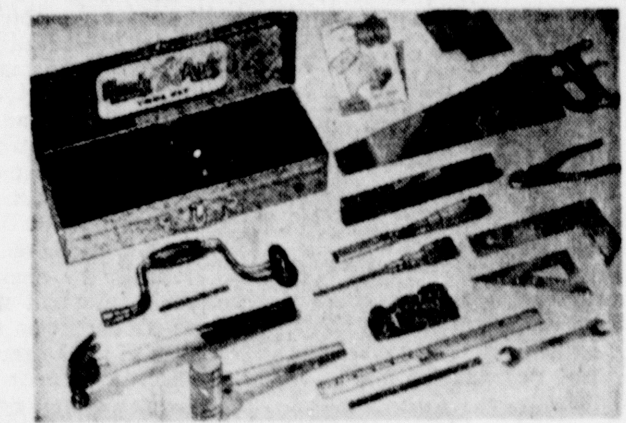

LEBANON, Pa. (AP) — Helen Marie Thompson, 6, of Lebanon, died today in a hospital from injuries suffered Tuesday when she was struck by an automobile while crossing a street on her way to school. The girl's skull and left leg were fractured.

# State Highway Maintenance Crew Under Supt. Clyde Garber Takes Care Of 570 Miles Of County Roads Through Year

The Pennsylvania Department of Highways spends nearly \$1,000 a day throughout the year in wages alone to maintain its roads in Adams County.

The staff of from 130 to 150 men and women under the direction of Superintendent Clyde O. Garber is charged with the maintenance of 570 miles of highway and secondary roads 365 days in the year — and that includes snow removal for which the Highway Department has been busy preparing for weeks.

There are 130 men and women on the Highway Department payroll here now. That figure got close to 150 last summer when seasonal work was at its peak.

## Annual Payroll \$360,000

The annual payroll is \$360,000.

It's no small job that Superintendent Garber and his crew face each day — keeping up roadways that if straightened to lead in a single direction would reach to Montreal, Canada, with mileage to spare, or would nearly link Gettysburg and Chicago.

The job of maintenance means more than patching holes in highways and painting roadside signs.

## \$200,000 Surfacing Job

This year it included such routine tasks in addition to re-surfacing 20 miles of county highways at a cost of \$200,000, surface treating another 40 miles and "re-stabilizing" 29 miles of dirt roads.

Then there was the big sub-sealing job performed this summer on the Lincoln Highway east of Gettysburg when 252,922 gallons of liquid asphalt were pumped under terrific pressure through drilled holes in the center of the highway from Gettysburg to New Oxford. The holes were drilled at intervals of six feet for the entire ten-mile stretch. That sub-sealing project, a new process being put into use now in many sections of the state, cost \$41,700 alone.

The 20 miles of re-surfacing, which included the Biglerville-Heidersburg Road and the Abbottstown-East Berlin Road and only last week was completed south of Abbottstown through Berwick Twp. to the York County line, was handled with a motorpaver that spreads a new blacktop surface over the old highway while one-way traffic is maintained on the road.

## Strike Jumbled Schedule

The 39.8 miles that were surface treated with tar and stone chips required 4,770 tons of chips and 80,000 gallons of oil.

A monkey wrench was tossed into road surfacing schedules here this summer by the nationwide steel strike that shut down operations at the Bethlehem quarries north of Hanover where most of the stone needed in the surfacing and in the tar-and-chipping operations were to

Superintendent Clyde O. Garber (left) and his construction foreman, John Arentz, near Littlestown, are shown as they conferred on the last road-surfacing job for 1956 on the Hanover-Abbottstown Rd., south of Abbottstown. Stone and oil trucks shown were supplying the big motorpaver that was spreading a new surface on the highway. The paving of the Hanover-East Berlin Rd. south from East Berlin through Abbottstown to the York County line completed 20 miles of such work done this year in Adams County.

A crew of a dozen State Highway Department maintenance workmen pause on the Hanover-East Berlin Rd., south of Abbottstown, while stone truck dumps its load of chips into the big motorpaver that spread a two-inch blacktop surface on the highway. Begun last summer and delayed by the nationwide steel strike that tied up stone supplies from Bethlehem quarries, near Hanover, the road surfacing work for 1956 was finished in chilly weather last week. The Biglerville-Heidersburg Rd. was surfaced with the same equipment this year.

be supplied under state contract.

Road building work in many parts

of the county slowed to a standstill

before the strike was over and road

surfacing work that should have

been done in the hot summer

months dragged into September

when weather conditions were less

favorable.

**Dirt Roads Stabilized**

Despite the delay occasioned by

the strike, every bit of road im-

provement work set up for 1956 has

been completed, Superintendent

Garber reported.

The dirt roads, 29 miles of them,

that were improved this year by

the State Highway Department in

this county were "re-stabilized" by

the application of 4,000 tons of

crushed stones together with 3,970

100-pound bags of calcium chloride

which helps to bind the stone and

make the improvements more durable.

Road maintenance work means

bridge building sometimes and Gar-

ber's men have started construction

of a 16-foot, pre-stressed concrete

slab bridge on the road leading

from The Narrows to St. Ignatius

Catholic Church in Buchanan Val-

ley. Two thousand feet of road ap-

proaches to the bridge are a part of

the project. The new span will re-

place an old wooden stringer bridge.

**Shoulder Work Ahead**

The coming of cold weather does

not bring an end to highway main-

tenance work. When the roads are

clear and snow removal — No. 1

priority job in the winter — is not

required, there is work to be

done on highway shoulders. There

are yet 12 miles of roads surfaced

this summer and fall that require

shoulder work. Earth is used except

at driveways and mail boxes where

crushed stone is placed.

Then there's another big "shoulder

job" marked off on Superintendent

Garber's big road map on the office

wall at his headquarters building

on the Fairfield Road.

Very soon workmen will start

placing two inches of crushed stone

for a width of three feet on each

side of the new Lincoln Highway

from just east of McKnightstown

to the Franklin County line. "Shoulder

stabilization" work, it is called.

# State Highway Maintenance Crew Under Supt. Clyde Garber Takes Care Of 570 Miles Of County Roads Through Year

The Pennsylvania Department of Highways spends nearly \$1,000 a day throughout the year in wages alone to maintain its roads in Adams County.

The staff of from 130 to 150 men and women under the direction of Superintendent Clyde O. Garber is charged with the maintenance of 570 miles of highway and secondary roads 365 days in the year — and that includes snow removal for which the Highway Department has been busy preparing for weeks.

There are 130 men and women on the Highway Department payroll here now. That figure got close to 150 last summer when seasonal work was at its peak.

## Annual Payroll \$360,000

The annual payroll is \$360,000. It's no small job that Superintendent Garber and his crew face each day — keeping up roadways that if straightened to lead in a single direction would reach to Montreal, Canada, with mileage to spare, or would nearly link Gettysburg and Chicago.

The job of maintenance means more than patching holes in highways and painting roadside signs.

## \$200,000 Surfacing Job

This year it included such routine tasks in addition to re-surfacing 20 miles of county highways at a cost of \$200,000, surface treating another 40 miles and "re-stabilizing" 29 miles of dirt roads.

Then there was the big sub-sealing job performed this summer on the Lincoln Highway east of Gettysburg when 282,922 gallons of liquid asphalt were pumped under terrific pressure through drilled holes in the center of the highway from Gettysburg to New Oxford. The holes were drilled at intervals of six feet for the entire ten-mile stretch. That sub-sealing project, a new process being put into use now in many sections of the state, cost \$41,700 alone.

The 20 miles of re-surfacing, which included the Biglerville-Heidlersburg Road and the Abbottstown-East Berlin Road and only last week was completed south of Abbottstown through Berwick Twp. to the York County line, was handled with a motorpaver that spreads a new blacktop surface over the old highway while one-way traffic is maintained on the road.

**Strike Jumbled Schedule**  
The 38.8 miles that were surface treated with tar and stone chips required 4,770 tons of chips and 80,000 gallons of oil.

A monkey wrench was tossed into road surfacing schedules here this summer by the nationwide steel strike that shut down operations at the Bethlehem quarries north of Hanover where most of the stone needed in the surfacing and in the tar-and-chipping operations were to

Superintendent Clyde O. Garber (left) and his construction foreman, John Arentz, near Littlestown, are shown as they conferred on the last road-surfacing job for 1956 on the Hanover-Abbottstown Rd. south of Abbottstown. Stone and oil trucks shown were supplying the big motorpaver that was spreading a new surface on the highway. The paving of the Hanover-East Berlin Rd. south from East Berlin through Abbottstown to the York County line completed 20 miles of such work done this year in Adams County.

A crew of a dozen State Highway Department maintenance workmen pause on the Hanover-East Berlin Rd. south of Abbottstown, while stone truck dumps its load of chips into the big motorpaver that spread a two-inch blacktop surface on the highway. Begun last summer and delayed by the nationwide steel strike that tied up stone supplies from Bethlehem quarries, near Hanover, the road surfacing work for 1956 was finished in chilly weather last week. The Biglerville-Heidlersburg Rd. was surfaced with the same equipment this year.

be supplied under state contract.

Road building work in many parts of the county slowed to a standstill before the strike was over and road surfacing work that should have been done in the hot summer months dragged into September when weather conditions were less

favorable.

## Dirt Roads Stabilized

Despite the delay occasioned by the strike, every bit of road improvement work set up for 1956 has been completed, Superintendent Garber reported.

The dirt roads, 29 miles of them,

that were improved this year by the State Highway Department in this county were "re-stabilized" by the application of 4,000 tons of crushed stones together with 3,970 100-pound bags of calcium chloride which helps to bind the stone and

make the improvements more durable.

Road maintenance work means bridge building sometimes and Garber's men have started construction of a 16-foot, pre-stressed concrete slab bridge on the road leading from The Narrows to St. Ignatius Catholic Church in Buchanan Valley. Two thousand feet of road approaches to the bridge are a part of the project. The new span will replace an old wooden stringer bridge.

## Shoulder Work Ahead

The coming of cold weather does not bring an end to highway maintenance work. When the roads are clear and snow removal — No. 1 priority job in the wintertime — is not required, there is work to be done on highway shoulders. There are yet 12 miles of roads surfaced this summer and fall that require shoulder work. Earth is used except at driveways and mail boxes where crushed stone is placed.

Then there's another big "shoulder job" marked off on Superintendent Garber's big road map on the office wall at his headquarters building on the Fairfield Road.

Very soon workmen will start placing two inches of crushed stone for a width of three feet on each side of the new Lincoln Highway from just east of McKnightstown to the Franklin County line. "Shoulder stabilization" work, it is called.

## More Cinder Stockpiles

Soon after Mr. Garber took over superintendency duties from Wilbur V. Redding on September 10, he started to turn attention to preparations for winter and snow removal work.

As a means of speeding the cinder work, he increased the number of cinder stockpiles in the county to five so that less time will be required in getting to and from the sources of supply.

Sunday night the new system got its first test and Mr. Garber was pleased with the speed with which cinder crews were able to operate from stockpiles at Greenstone, Mt. Newman, Cross Keys, York Springs and Gettysburg. The cinders are mixed on the stockpiles with calcium chloride to increase their effective-

ness on the road.

## Was Former Assistant

More than 20 miles of snow fences have been erected. There was an order last spring from Harrisburg ordering snow fences down for good in this border county but later orders countermanded that one and the snow fences went up as usual along stretches of highway which experience has shown are the worst offenders when drifting begins.

Twenty-six pieces of snow removal equipment are ready for duty at the highway garage here with snowplows ready to be mounted on them in a matter of minutes. Meanwhile they serve as trucks in the daily maintenance tasks. There are 160 men on call for cinder and snow plow duty, Garber said.

The 36-year-old county highway superintendent had been an assistant superintendent for about a year when Redding was promoted to the post of district construction engineer and Garber moved up into the superintendency nearly three months ago.

## School Director Too

Mr. Garber is married and the father of three children. For a number of years he has operated a farm in Hamilton Twp. He has been president of the New Oxford Lions club and is past master of the Hebron lodge of the Free and Accepted Order of Masons of New Oxford. He belongs to the Elks in Hanover, finds time to serve as a member of the Hamilton Twp. school board and currently is vice president of the Lower Adams Joint School District board.

His immediate predecessor in the county highway job, Mr. Redding, now has his offices at Harrisburg and is engineer for the district of which Adams County is a part. He had been maintenance superintendent here since February, 1955. He has been a road engineer for 30 years.

Garber's assistant superintendent is Lawrence E. Moul, Hampton, a former state highway department caretaker.

## Some Chinese Observe Xmas In Quiet Manner; New Year Is Day Of Fireworks, Feast

The majority of Chinese people have never heard of Christmas although the day has been celebrated in some sections of China for 400 years. Where it is observed in secrecy it is a day of happiness and excitement. Little girls receive dolls in odd stockings which they hang up Christmas Eve as the western people do. The roomy stockings are made by sewing three pieces of muslin together and are large enough to hold the toys that Santa is good enough to bring them.

Santa Claus in China is known as "Lan Khoong-Khoong" which means Nice Old Father. Still another name for him is "Sun Ten Lao Ren," Christmas Old Man.

The bright colors of the Christmas decorations adopted from the missionaries appeal to the Chinese and they have adopted many of American standards. They use the red holly berries and green leaves and the bright tinsel and lights of the Christmas tree. These they combine with Chinese lanterns.

### Exchange Gifts

The exchange of gifts is observed on Christmas Day but the gifts must be in accordance with the custom. Silks, jewels and other valuable gifts may be given to members of the immediate families. Gifts of food or cut flowers are customary for friends or distant relatives.

A spectacular display of fireworks usually ushers in the New Year in China. The people enjoy feasting and singing and are entertained by Chinese jugglers and acrobats. This is the Chinese method of entertainment mingled with a celebration as it came to them from the Christian missionaries.

Mrs. Gerald K. Doo, 560 Hillcrest Place, wife of Dr. Doo, Warner Hospital surgeon, who arrived with her family in Gettysburg last summer, said in an interview that Christmas in America is more similar to the Chinese New Year. In China it is a rather quiet affair. Mrs. Doo is originally from Shanghai. She has been residing in the United States since 1947.

### Recalls Childhood

Mrs. Doo, who is a study in oriental serenity and charm, recalled her childhood in China in the quiet of her pale green and beige contemporary living room. "I lived in Soochow which is a town near Shanghai. In the city of Shanghai, which is quite westernized and cosmopolitan, you will see Christmas trees and merchandise, decorations and other signs of Christmas in the shop windows. Many of the Chinese are Christian today and in their homes they celebrate Christmas. But it is not a universal holiday. As a small girl I was invited to Christian homes where the day was celebrated much in the same way as here in America.

"As for the Chinese New Year, this comes at a different time than the American New Year. This would be near the end of January or the beginning of February according to the Luna calendar. On this day everything is important. Everyone wears new clothes, from the shoes to the hat. Anything you do that day is significant. I was always told not to cry because if I did, I would cry the rest of the year.

### Cook Much Food

"There is no turkey dinner in China but larger quantities of food are cooked and a great variety of dishes are prepared. These have no special names, such as

**FINE FOR CHRISTMAS** are glamorous sweaters and blouses, to begin wearing at once. Here, Ban-Lon sweater set by Rembrandt.

chop suey, as one might imagine. The dishes vary with each individual family. Meat, fish, poultry and vegetables are used. The

larger amounts are cooked for people who are always expected to drop in.

"The worship of the ancestors, a universal custom, is observed in every home at New Year's. Pictures of deceased relatives are shown and bowls of a great variety of foods are placed before the images. Fireworks in observance of the New Year are fairly common throughout China.

### All Businesses Close

"Another interesting note is that all the markets and stores in China close on New Year's Day. Surprisingly, it is the only day throughout the whole year on which they do not work. The Chinese work 364 days a year including Saturdays and Sundays. "Of course after the Japanese occupation in 1941 there were bans on all types of gatherings so that family and friends would not gather on the holiday."

Mrs. Doo with her husband and two children Ella, 6, and Peter, 4, will celebrate Christmas in the old fashioned American style. Mrs. Doo is a graduate of St. John's University, Shanghai, where she was awarded a Bachelor of

PARIS (AP)—The French Defense Ministry spokesman said Wednesday Egyptian President Nasser's claim that Israeli forces had planned to link up with British and French forces in Egypt was "idiotic."

### SOBER FACTS

BOSTON (AP)—Moonshiners would do well to stay out of New England.

"New Englanders never had a taste for moonshine," according to Richard N. McCarthy, enforcement chief of the Treasury's alcohol tax unit.

Out of 23,714 stills smashed last year, he said, only 15 were in New England.

LONDON (AP)—Foreign Secretary Selwyn Lloyd denied Wednesday that Britain collaborated with Israel in the invasion of Egypt but said "it is true that we were well aware of the possibility of trouble."

Lloyd, leading off a crucial debate in the House of Commons over the government's Middle East policy, declared "it is quite wrong to state that Israel was incited" by Britain to invade Egypt.

"There was no prior agreement between us about it," he said.

## 140 Are Arrested On Treason Charges

JOHANNESBURG, South Africa (AP)—Detectives raided houses and offices in many parts of South Africa at dawn Wednesday and arrested 140 whites, Africans, Indians and colored persons — persons of mixed blood — on charges of treason.

Detectives raided the offices of 48 organizations in Johannesburg including left-wing bodies and Indian and African groups which oppose the government's racial segregation policies.

Details of the treason charges were not disclosed. More arrests may follow, police say.

# Syrians Observe Christmas December 2 To January 6

(Continued from Page 1)

And threatened her with the sword.

When he caught her with the bread in her lap, she cried unto God in her fear. God turned the sword in her father's hand.

Into a crocheted needle.

When her father demanded to see what she concealed in her lap, she cried unto God for help. And the bread in her lap turned to roses."

## Special Mass Dec. 6

Friends, relatives and neighbors dance and sing at a social hour during the cooking of the wheat. Sugar, rose water and candy are mixed with the wheat when it is removed from the fire. The eyes of each of the girls in the party are anointed with eye salve by an old woman. This is a sign they have learned from their lesson.

The Syrian version of the story of St. Nicholas is a little different from the usual version. A special Mass is said on December 6 in the churches for St. Nicholas Thaumaturgus the Wonder Worker. When he was shipwrecked, the saint sailed safely over the seas in his hat. They recount how he went to a certain council meeting and performed the miracle of restoring life to his donkey which had been decapitated by robbers.

A bonfire of vine stems is made in the middle of the church in honor of the Magi who were cold from their journey on Christmas Eve. In the home on Christmas Eve the father, retells the story of the Christ Child and all join

## Prayer And Quiet

No work is done on Christmas Day which is observed very quietly. The principal feature of the day is the holiday dinner when such delicacies as are served as chicken, oranges, nuts and Turkish Delight. As opposed to the American Christmas the Syrian holiday is a period of prayer and quiet rejoicing, it is not a time of merriment and exchange of gifts. Children are reminded to save their pennies for the Christ Child. Usually one of the more prosperous ladies of the town sets up in her home what is known as the Bethlehem cave, another name for the Christmas Crib. The children bring offerings which are used for the relief of poor children.

Unlike the American celebration of New Year's the Syrians expend themselves rejoicing. Good wishes are exchanged and children go from door-to-door with New Year's greetings, receiving candy and money in return. As on Christmas men visit from house-to-house, remaining no longer than one half hour at a time. The wives remain home to serve the guests Turkish coffee and sweetmeats. The women's visiting day is January 2.

Homage To Christ Child "Lilal-al-kadr" or the Night of Destiny is considered by the Latin Church as the time when the Magi presented their gifts to Christ, and by the Greeks as the anniversary of His baptism. Regarding the Eve of Twelfth Night

HE'LL BE GOGGLE-EYED with pleasure, and instructed in the bargain, by a new combination of viewer plus photo records with sound signals to tell him when to change the picture. It's a toy any child can operate, combining Columbia's new special Record-A-View series and a View-Master viewer.

or January 6 only one tradition is universal throughout the country, "the bowing of the trees." Other traditions vary with the locality. It is believed that at midnight on the Eve, every tree bends its trunk and inclines its branches in homage to the Christ Child. Each tree offers its own peculiar gifts: fruit, nuts or blossoms. Authorities say that this belief is adapted from the Mohammedan which claims that Al Koran came from heaven on that night and all trees bowed in recognition of the divine relation. The same story is told of how the trees directed the Holy Family as it fled into Egypt. To this day, residents of Cairo claim that a tree of rare healing powers marks the spot where Joseph, Mary and the Child rested after their flight.

"The Magic Mule" "The Magic Mule" is the Syrian parallel to our Santa Claus. The Lebanon legend of the mule is told as follows.

"Once, on the blessed Epiphany Eve, a certain man was traveling through the country on his mule. Stopping about midnight, he fastened his animal under a tree and went away on an important errand. When he returned later, he looked about for his beast until finally glancing upward, he saw the animal lifted high above his head in the topmost branches of the tree. This proved that just at the hour of midnight the tree had bent down in honor of the Christ Child, and, in its rebound, had caught up the animal. Since then the mule has been considered a blessed creature."

The children of Syria believe that if they leave the doors wide open on Christmas eve the Mule

will enter with blessings and gifts. In the south mules are less common and it is believed that the "Gentle Camel of Jesus" travels over the desert with presents for the children. The legend says that this was the youngest camel of those which brought the Wise Men to the Child Jesus. Exhausted by the journey the camel lay moaning until Christ blessed it with immortality. According to tradition the Camel loves all good children and gives them presents, but a black mark is put on the wrists of those who are bad.

The making of the Blessed Leaven is the universal custom on the Eve of Epiphany or Twelfth Night. Housewives prepare dough, place a silver coin in the middle and wrap all in a cloth and hang it on the branches of a tree. Turpentine pods and sage which give off a sweet odor like incense are hung with the dough. At midnight according to the legend the dough becomes leaven. At dawn of the Baptism Day the dough is taken from the trees and the boys and girls carry it to the streams and fountains where they immerse it three times in the water, according to the Greek Orthodox form of the Baptism. The blessing is then complete. As the rite is being performed the children sing: "John the Baptist, is the Baptizer and Mary was his Godmother." The Syrian housewives keep the lump of risen dough throughout the year and use it as yeast until the next Epiphany.

The Wonder Night of all the year is what Epiphany Eve is considered and many strange things are said to happen on this night to the devout. No unconfessed sin may be upon the soul and no vow may be left unfulfilled. No surprise or haste must be shown and there can be no greed or the miracle will not occur. If the heart is pure a special blessing will be given.

On Epiphany Eve the Night of Increase occurs to the very holy.

SMOKER'S BOON COMPANION is this all-in-one leather smoking set: ash tray, lighter, cigarette box encased in hand-tooled antique leather. By Blue Star. Photo by Leather Industries of America.

The older women still have faith in this miracle which did, they declare, occur many times to their grandmothers in their native land. On the Night of Increase, it is the custom for every old woman to go to the cellar and shake her jars of wheat, oil, and wine. If her faith is strong, the stores will multiply as did the cruse of oil and handful of meal of Zarephath's widow in the days of Elijah. The truth of this miracle has been testified to. A woman living in Washington St., New York, told how her grandmother once entered her storeroom on Epiphany Eve and noticed that the oil was gushing forth as if every jar were broken. More jars were brought and the oil became a source of great profit to the family who saved every drop of it.

# JORDAN URGES IRAQ TO LEAVE BAGHDAD PACT

AMMAN, Jordan (AP) — Stressing Arab unity, Jordan's Parliament has called on Iraq to pull out of the pro-Western Baghdad Pact. The legislators voted to send a message to King Faisal of Iraq asking him to abandon the alliance linking Iraq, Iran, Turkey, Pakistan and Britain.

Iraq, the only Arab member of Baghdad Pact, has refused to attend any meetings attended by Britain since the British-French attack on Egypt.

The Iraqi government announced that it would send an air force officer mission to the United States to study and train in techniques of modern air combat under an agreement between the two countries. All previous Iraqi

# Fewer Workers Idle By Work Stoppages

WASHINGTON (AP) — The Labor Department said Wednesday fewer workers were idled by work stoppages beginning in October than in any corresponding month since 1948.

The department's statistics bureau said that preliminary estimates showed a marked improvement in the situation over October a year ago.

The bureau said 325 stoppages beginning this October idled 130,000 workers compared with 431 new stoppages in October 1955 directly affecting 214,000 workers. Including stoppages that began earlier, there were 525 in effect in October, idling 190,000 workers for an estimated one million man-days. In October 1955, the department said, there were 654 stoppages in effect, idling 292,000 workers for 2,470,000 man-days.

# REACH PACT IN PHONE STRIKE

NEW YORK (AP) — The American Telephone & Telegraph Co. and the Communications Workers of America reached agreement Wednesday on a new contract. It covers 25,000 long-distance operators and

employees in 42 states and Washington, D. C. The company announced the agreement, which must be ratified by the union's long lines division to become valid. The company said the pact provides for a weekly wage increase ranging from \$2.50 to \$3 for 10,500 operators and for raises of from \$3.50 to \$5 for plant craftsmen. Salaries vary by geographical location. The announcement came at the end of a 23-hour bargaining session. It began at 10:30 a.m. yesterday. The union membership had authorized its negotiators to call a strike if no agreement were reached. The old contract expired Nov. 28. The new one, if ratified, will run through Jan. 3, 1958. The pact increases starting minimums for long-distance operators by \$2 to \$4 a week, and for plant craftsmen by \$2 to \$5. Add grated cheddar cheese to that white sauce you are planning to serve over salmon.

# Report Casualties In Cuban Revolt

HAVANA (AP) — Cuba's latest revolt is not over yet. The government announced that army troops met revolutionaries in battle Tuesday night and both sides suffered casualties. The communique gave no details of the fighting. Other sources said the battle was at Aguas Fl. nas, in southeast Cuba near the town of Niquero and about 12 miles from Bermejo Beach, where a small rebel "invasion force" reportedly landed Sunday night. The rebels are attempting to oust the regime of President Fulgencio Batista. They began a rebellion Friday in Santiago de Cuba, the island's second largest city.

## OFFERS IDEAS FOR ORIGINAL WINDOW DESIGNS

By VIVIAN BROWN  
The Associated Press

New window treatment can perk up an entire room. Nowadays there is such a variety of windows that it takes real ingenuity to come up with something different. Here are some suggestions made by John Abbate, New York decorator, to help you carry out window decorating schemes. . . .

He adores vertical blinds, particularly for bay windows or picture windows that front on a street. "They are so easily adjusted," he explains "to provide complete privacy or to let in lots of sunlight without direct glare. You have color variety and you can combine colors for decorative effects, perhaps using turquoise and black alternating with white stripes for a family room, or tobacco brown and beige shanting for a man's den."

Sometimes Abbate uses a simple sheer draperies above and to the sides of the vertical blinds to cover an entire window wall for spacious effect, or hangs the blinds to the floor rather than stopping them at the sill, to give a room the feeling of greater height.

### Simple Draperies

If the window wall is papered, draperies should be kept simple, Abbate advises. Fancy patterns and strong colors may clash with wallpaper designs and colors. Sheer glass curtains are an alternative. They may be gathered full, permitting an airy look and letting in light, yet permitting privacy for the room's occupants day or night.

An imaginative idea for a child's room is a window with a "big top" circus theme. The curtains are made sort of canopied fashion, resembling the entrance to a circus tent. Abbate suggests gold corduroy curtains with scalloped edges with fringe, and corduroy panels hung straight at the

sides of the window to complete the tent-entrance idea. The rest of the room should follow the circus theme too, with a wild-animal print wallpaper, circus posters and what have you.

When in doubt about curtain color or treatment, Abbate suggests simplicity. He explains: "You always should beware of clashing patterns and hues in a room," he points out "and by keeping window treatment simple, you allow yourself opportunity to use bold patterns and colors elsewhere, perhaps in wallpaper and in upholstery fabrics."

### Consider Feature

Another idea before making a fabric purchase is to consider whether you want windows to seem more important or to make them a less obvious feature of the room. If frames or panes are unusually attractive or different, plan a window treatment so they may be seen.

The family room or kitchen may take to crê curtains in panels of different colors that tie in with the room's over-all scheme. Or you might use matchstick blinds above a single tier of fabric hung on a brass rod.

A modified café treatment — one tier covering the lower half of the window, and a narrow valance of a matching or complementary fabric at the top is a possibility for bedroom windows.

### SHE WHO GETS TRAPPED

MEMPHIS, Tenn. (AP) — When several women asked him to send a police radar speed trap crew to their street, Capt. Charles Rhodes was glad to oblige.

Among the first to draw tickets for speeding were two of the women who asked for the trap.

### AUTO SUGGESTION?

LITTLE ROCK, Ark. (AP) — Two Little Rock motorists driving black 1951 and 1952 model cars of the same make were involved in a minor collision here.

Police said that in the excitement that followed Mike Wright drove off in the car belonging to Leon Huey. Later both returned to the wreck scene to swap cars.

## SALK VACCINE REDUCES 1956 POLIO CASES

By DAVID L. BOWEN  
The Associated Press

Now that the traditional mid-fall peak of the polio season has passed there is clear, unmistakable and graphic evidence that crippling polio is on the way out in the United States.

The charts show as words cannot how the cruel profile of polio has been drastically altered this year, cut in half by the immunity supplied through the Salk vaccine to 43 million persons.

The main graph traces the number of polio cases reported to the U. S. Public Health Service week by week. As usual, polio this year slumbered through the early half of the year, with about 100 new cases reported across the United States each week. In recent years, the case number always began a steep climb in early June and reached a tragic climax in August or September — when new case reports flooded into Washington at the rate of 2,000 and more per week.

### Total Held Down

This year the flood was stemmed. At its worst, the 1956 polio season produced less than 1,000 new cases a week. The total score for the year — as traced on the inset chart — is leveling off now. Apparently total cases will be in the neighborhood of 15,000. This is less than half the total for 1954 and the average of the past five years.

This year was the first in which the Salk vaccine was available throughout the polio season. A limited amount was used in 1955.

"If all hands join in using the vaccine to its full availability before the next polio season," says National Polio Foundation Presi-

dent Basil O'Connor, "we can eliminate polio as an epidemic disease in 1957." The foundation reports that while 43 million persons have received at least one vaccination, only seven million have received the series of three injections necessary for fullest protection. The age group in which vaccination is most nearly complete comprises 5 to 9-year-olds. Particularly important targets now, according to the foundation, are very young infants, teen-agers and young adults. Vaccine shortages of the last year and the past spring have been overcome and sufficient vaccine is reportedly available for all who want shots.

## 1957 PLYMOUTH CARS DISPLAYED IN NEW YORK

NEW YORK, Dec. 5 — Plymouth today debuted for press its 1957 entry in the automobile industry's prestige car competition.

It is the new Fury, a 290-horsepower gold-trimmed white two-door model with seating for six persons and with the performance and roadability of a sports car. The new car will be displayed publicly for the first time at the National Automobile Show opening at the Coliseum Saturday.

At a Chrysler Corporation press preview, Plymouth President John P. Mansfield said the Fury "is designed for motorists who seek a distinctive automobile with extra performance."

"While the Fury has the driving feel, responsiveness and interior appointments of a sports car," he said, "it is a practical automobile for general use."

Public reception of the original Fury, the 240-horsepower 1956 model, according to Mansfield, required the doubling of the original production schedule. On the basis of 1956 experience, he said, Plymouth is planning even greater production of its 1957 Fury cars.

"Sculptured Lines"

The Fury has the basic sculptured lines of other Plymouth cars emphasized by high sweeping fins which, in recent wind tunnel tests, have been shown to contribute to road stability in severe cross winds.

A distinguishing exterior styling feature of the Fury is the use of gold anodized aluminum stripes on the sides, sweeping upward into the tail fins. Another styling highlight is the gold colored aluminum grille and this identifying gold note is repeated in sunburst spheres on the front fender ornament.

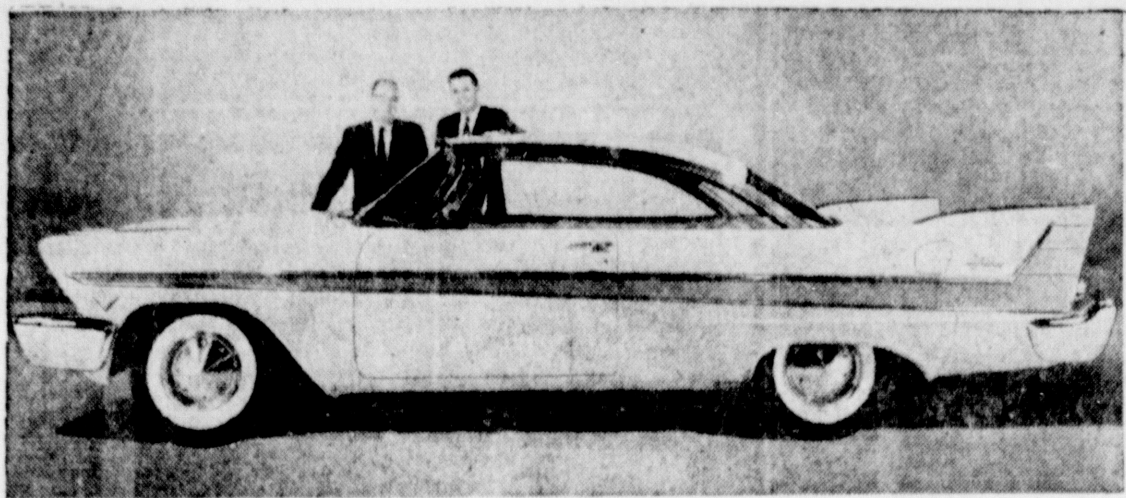

The interior is styled to appeal to sports car fans. The color scheme is cocoa and beige. Seat backs are notched. The car has deep piled cocoa-toned carpets, a padded safety instrument panel and extra items of complementing interior trim.

### VPI Grid Coach High On Divers

BLACKSBURG, Va. (AP) — Virginia Tech Coach Frank Moseley regards his senior fullback, Captain Don Divers, as "as good a fullback as there is anywhere."

Divers, a 185-pounder from Roanoke, Va., is a superb defensive player, has averaged nearly five yards a carry during his varsity career and has shared in the punting duties.

During the 1954 and 1955 seasons, Divers was voted the outstanding star in the traditional game between Tech and Virginia Military Institute.

Plymouth President John P. Mansfield (left) announces the new 290-horsepower Fury as Plymouth's entry in prestige car competition. Mansfield, shown with Chief Engineer Robert Anderson, says the new white two-door model, with gold trim, has the performance and roadability of a sports car.

## MOLLET UNDER NEW ATTACKS ON SUEZ FIASCO

By GODFREY ANDERSON

PARIS (AP)—The Suez fiasco and the unending Algerian war have brought French Premier Guy Mollet under increasing political attack, but most political observers agree the government is not in danger—yet.

The trouble might come when the bills roll in and the budget must be voted in January.

By then, if he makes it, Mollet will have been 12 months in office, a postwar rarity in France. Until now he has weathered the Suez crisis with far less difficulty than British Prime Minister Sir Anthony Eden.

Most Serious Job

The job which has hurt Mollet most came from 17 deputies in his own Socialist party. Declaring themselves in line with Britain's Labor party in condemning the Suez affair, the 17 protested that the government's "pacification" policy in Algeria had also failed and should be scrapped. They demanded the immediate calling of a special party congress to discuss the next moves.

There has been sniping too from the far left, right and center of the National Assembly.

Perhaps because of these indications of dirty parliamentary weather ahead, the Premier today sought and obtained from the Cabinet permission to stake his future on a confidence vote when the Assembly debates the treaty returning the Saar to Western Germany next week.

Big Threat In January

But the biggest threat to Mollet will come in January, just a year after he took office. With military expenses outrunning estimates and tax receipts down — both largely because of Suez — the 1957 budget may be largely outdated

A card party, sponsored by the Fairfield Lions Club, will be held in the high school cafeteria on Wednesday evening, December 12, starting at 8 o'clock. Committee members are Kenneth Sanders, Glenn Shriner, Clark Spence, J. B. Waddle, William Bigham and Richard Straup.

The first "Pep Rally" in preparation for the basketball game between Emmitsburg and Fairfield on Tuesday evening was held in the high school auditorium Tuesday afternoon. Miss Marie Weissenfuh, faculty cheer leader trainer, announced five new Junior High cheer leaders and three substitutes. They are Linda Dick and Betty Davis, co-captains; Virginia Spence, Sandra Labofish and Julia Ross. The substitutes are Barbara Miller, Patsy Labofish and Anna Lee Sanders.

even before it is voted.

By then too the worst may be known about the economic effects of the blocking of the Suez Canal. Gasoline normally gives a big revenue boost to the government, which nets about 48 cents on every gallon sold. The planned 30 per cent cut in its consumption will slash tax receipts an estimated \$385,700,000.

That is just a beginning. Three quarters of the oil used in France goes to industry in various forms. Tax losses because of reduced production in steel, automobiles, glassware, etc., cannot yet be calculated. Nor can the possible unemployment which may result through cutbacks.

That's when the storm may really break around Mollet.

The 18 male members of the Fairfield High School Home Economics class, under the supervision of Miss Marie Weissenfuh, home economics teacher, will entertain invited guests at a ham dinner Thursday evening, December 13 in the high school cafeteria. Head chefs will be Jack Orner, Wendell Wentzel and Ralph Masser.

The Taneytown High School varsity and junior varsity basketball teams will meet the Fairfield High School teams on the home floor Friday evening. Home games start at 7 o'clock.

Miss Mary Harbaugh entertained the bridge club at her home Monday evening. Mrs. Donald Rohrbach, Gettysburg, was an additional guest. Mrs. Robert Musselman will be hostess to the group in two weeks.

## PROBLEMS OF MARRIAGE GO UNDER ANALYSIS

By EDDY GILMORE

LONDON (AP) — Emily Hahn — who regards herself as an expert on men — said today that she'd rather be shipwrecked on a desert island with an American man than an Englishman.

"The American," she said, "would be resourceful. He would go out, pick up driftwood and build me a house. The Englishman would make me pick up the driftwood and probably insist on my building the house."

Miss Hahn, who writes about the problems of marriage, said there is a lot to be said in favor of Englishmen as husbands, however.

"British men," she added, "are better looking than American men and this is, perhaps, the most pleasing characteristic of the English male."

Asked what was the American male's most pleasing characteristic, she replied:

"Generosity. The American is definitely more generous. The Englishman, she said, is essentially selfish and that is his worst characteristic."

"The main fault of the American man is that he's a born chaser — a woman chaser, I mean."

Although she writes under the name of Emily Hahn, she is really MRS. CHARLES BOXER, the wife of an Englishman. She is an American who's been living in Britain since 1946.

"Spousing" — Her new book, "Spousing," written in collaboration with Eric Hatch, has just been published. It concerns the technique and art of staying alive and happy through married.

"There was no collusion on the

## 2 Pennsylvanians Given Navy Awards

WASHINGTON (AP) — Two Pennsylvanians are among nine men belatedly honored by the Navy for developing "the first guided missile ever launched in wartime against an enemy."

The missiles were fired "very successfully" against Japanese land bases in the Pacific 13 years ago, the Navy said.

Among those for whom Secretary of the Navy Thomas has approved awards are Rear Adm. D. S. Fahney, retired, of Chadds Ford, Pa., a gold star in lieu of a second Legion of Merit; and Capt. S. E. Jones, of Erie, Pa., commendation letter with ribbon and metal pendant.

### LOOKING AHEAD

NORFOLK, Va. (AP) — Oyster Bowl officials have announced that Navy and Tulane will play in the annual football game here in 1958 — on October 18. Georgetown and Navy meet in 1957, on October 19. The game is sponsored by Khedive Temple here for the benefit of the Shrine's hospitals for crippled children.

book," she explained, "because I've never even met Mr. Hatch. I simply wrote the first part of the book and he wrote the second."

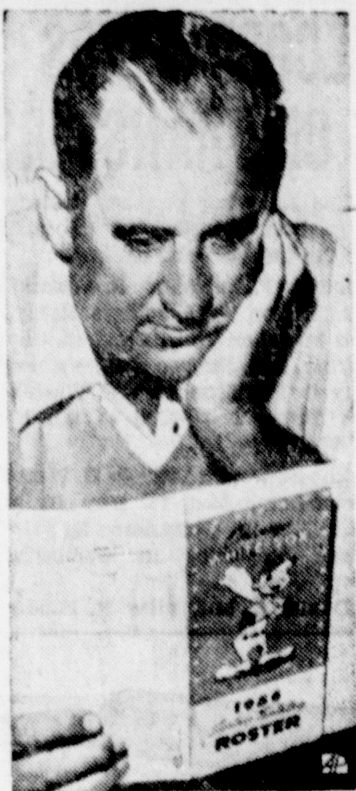

She advises the women. Hatch gives tips to the men.

Miss Hahn says she believes people need advice "for nothing ever really prepares one for the little shocks that married life administers in the bedroom."

She said too many men and women on both sides of the Atlantic wake up every morning "with that married feeling."

She was asked her impression of mustaches — those facial adornments that have broken up many marriages.

"I have no strong feelings on the subject," she replied, "except that I don't want to grow one for myself."

## EXPERIMENT IN ENGLISH TRIED AT MARQUETTE

MILWAUKEE (AP) — Marquette University has embarked on an experimental program in English which it hopes will lead to a method for teaching larger numbers of students with a smaller staff of instructors.

The goal of the pilot project, which began with the current semester, is to show freshmen students how to learn more with less help from the professors.

Dr. Joseph Schwartz, assistant English professor who is directing the program, explained that "we hope to prove that if a freshman can be taught to comprehend better he will need less personalized attention later." If successful, this would help alleviate the shortage of teachers.

**Ford Foundation Project** — The experiment, which will run through the fall semester of 1957, is financed by an \$18,000 grant from the Ford Foundation. Similar programs are under way in 40 other universities in the United States.

Marquette implemented the project by selecting at random 150 freshmen in the College of Liberal Arts.

During the current semester, Dr. Schwartz said, they will be subjected to more intensive instruction to help them acquire the tools for future study.

The class meets five times a week for two-hour sessions. The students write essays in class rather than work on them as outside assignments. There is equal emphasis on reading.

Dr. Schwartz said the theory be-

hind the concentrated classroom work is that study under direct supervision of an instructor is worth hours of outside work.

### Successful Students

Successful first semester students will earn six credits. They will also take six credit hours of work in the second semester, but will meet only once a week for an hour. They will spend the same time on an English Literature course in the fall semester next year.

Thus, Dr. Schwartz said, while six teachers are needed in the first phase, only one instructor will be required for the entire 150 students in the second and third parts of the program.

The results of the Marquette

## Tough Guy With Gun Was A U. S. Marshal

SAN FRANCISCO (AP) — A woman passenger aboard United Air Lines Flight 638 from Los Angeles last night excitedly told a stewardess "that big, tough-looking man" asleep across the aisle was carrying a .45-caliber pistol in a shoulder holster.

The stewardess told the captain. The captain radioed to the San Francisco International Airport.

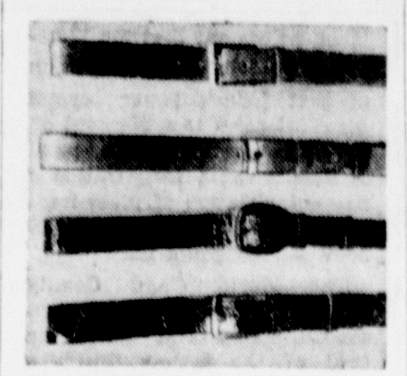

Half a dozen policemen met the plane and asked to see the man's credentials.

They identified him as Joseph Job, U.S. marshal for New Jersey.

BAGHDAD (AP) — Iraq offered Wednesday to make its peace with Gamal Abdel Nasser and challenged the Egyptian President to state his terms.

The challenge was issued by Foreign Minister Burhan Eddin Bashaian in an interview with this correspondent.

The fight for the people's right to know and to preserve freedom of the press in America received a fresh charge of ammunition this week.

The Pennsylvania Newspaper Publishers' Association announced it will ask the U. S. Supreme Court to reverse a decision of the Pennsylvania Supreme Court which empowered a county judge to bar news photographs in a public courthouse.

The case stems from a rule issued in February, 1954, by the Westmoreland County Court. At that time the court prohibited news photographs from being taken any place on the premises of the county courthouse during a session of the court or during recesses between sessions.

Another "rule" known as Canon 35 which allows judges to prohibit news photographs within the court room is not being contested in this case. Rolland L. Adams, PNPA pres-

ident, points out that the Westmoreland rule is an extension of that judge's power beyond his court room to a blackout on the public courthouse. The press of Pennsylvania feels this is a flagrant violation of press freedom and the people's right to know what's going on.

The Westmoreland County Judge, Edward G. Baker, issued the censorship order during the trial of the famous turnpike killer, John Wesley Wable, who was later found guilty and executed.

Later a test case was brought about through the cooperative efforts of the Pittsburgh Post-Gazette, Greensburg Tribune-Review and PNPA in protest of the courthouse picture ban. When the case reached the Supreme Court of Pennsylvania, the lower court's startling extension of power was upheld in a three-way split decision.

Legal counsel for PNPA has now taken steps to appeal the Pennsylvania decision to the U. S. Supreme Court.

G. Richard Dew, general manager, PNPA, points out that the newspapers in this case have never sought to take pictures in the court room. No question has ever been raised about the admirable desire of the judges to

maintain dignity and objectivity in the court room during the trial. But, Dew said, the newspapers felt then and now that Judge Baker abused the court's power in extending his rule to the corridors and other parts of the public courthouse which are outside and completely disconnected with his court room. Justice Michael Musmanno, one of the members of the Pennsylvania Supreme Court, wrote a dissenting opinion in which he was partially supported by Justice John C. Bell.

Winter may be upon us almost any minute. Snow or sleet may creep in to make automobile driving extremely hazardous. Here are a few suggestions for safer driving:

- Convert your thinking to safe winter driving.
- Keep good tires with deep treads, or special snow treads, on your car.
- Keep tires properly inflated.
- Make sure that brakes and windshield wipers are working properly.
- Don't park against the curb.
- Start slowly—avoid spinning wheels.
- Keep extra space between your car and the one ahead.
- Reduce your normal driving speeds on snowy or icy roads.
- Be wary of icy spots and wet

## CLAIMS GROUP OPPOSED TRUCK WEIGHT BOOSTS

PHILADELPHIA (AP)—The Pennsylvania Assn. of Township Supervisors has been opposed for years to an increase in truck weight limits, a witness has testified in the multimillion dollar railroad trucking industry suit.

H. A. Thomson, secretary of the association since 1926, was called as a witness Tuesday in U. S. District Court.

Thomson testified also that his organization had contended the truckers were not paying their fair share for road construction. He said the township supervisors have under their jurisdiction some 45,000 miles of township roads and 10,000 bridges in the state.

Thomson said the supervisors can post weight limitations but

leaves. Don't apply your brakes suddenly; "pumping" them helps to avoid skidding.

Above all, pay strict attention to the road, and use these tips to keep your car under complete control at all times.

that enforcement is up to township police. He said the police are undermanned for the job.

Thomson said also that a survey indicated a number of the bridges could not stand up under the 45,000-pound legal truck limit in Pennsylvania.

The Pennsylvania Motor Truck Assn. together with a group of trucking firms is suing the Eastern Railroads Presidents Conference and Eastern railroads for 250 million dollars in triple damages. The railroads have countersued for 120 million. Both suits come under the Sherman Antitrust law, charging conspiracy in restraint of trade. The law provides for treble damages.

Oklahoma and North Carolina began their football series in 1948.

## British Appeal To Pass Up Huge Payment Gets Support

WASHINGTON (AP) — Great Britain's plea for permission to pass up payment of nearly \$2 million dollars due this country at year's end drew promises of sympathetic consideration from some key senators today.

The reaction at the State Department was similar, but officials indicated the Eisenhower administration will ask Congress to rule on the British request.

Doubt was expressed that the executive agencies had authority to take final action.

Congress does not convene until Jan. 3. The payment is due Dec. 31, but it appeared that the question would be left hanging fire until Congress has had time to consider it.

**Share Venture Cost**

The London appeal, coming on the heels of British-French invasion of Egypt, in effect amounted to a request to this country to share the cost of that U.S.-opposed venture.

Britain's chancellor of the ex-

chequer, Harold Macmillan, told Parliament Tuesday his country's gold and dollar reserves have shrunk. He said the request to the United States was a step essential to protect the stability of the British pound sterling and save it from devaluation around would have repercussions around the world.

The \$2 million dollars is an interest payment—71 million due on a U.S. postwar loan of 3½ billion dollars and 11 millions on a 600-million-dollar sum agreed to as settlement of Britain's World War II lend-lease account with the United States.

**Other Payments Due**

Also due Dec. 31 are payments of 57 million dollars in the principal on these two accounts. This sum is not affected by the British request.

"If the British can't pay, they can't pay," Chairman Hayden (D-Ariz.) of the Senate Appropriations Committee told a reporter. Hayden said he would go along with an emergency "waiver" of the interest payment—the term used by Macmillan in describing the request.

"We have to support our allies even though they don't always act as we think they should," Hayden said. "We have taken the same kind of action in the past in emergencies."

Sen. George (D-Ga.), retiring chairman of the Senate Foreign Relations Committee, said, "I anticipate sympathetic consideration of a modification or postponement" of the interest payment.

Sen. Wiley (R-Wis.), the Foreign Relations Committee's senior Republican member, said he feared failure to grant the request might set off "a harmful economic chain reaction" from which the whole free world would suffer.

## ARMY IS WELL ADVANCED WITH IRBM PROGRAM

NEW YORK (AP) — Maj. Gen. John B. Medaris, chief of the Army's Ballistic Missile Agency, said Tuesday the Army is "well advanced in the development of Jupiter," the 1,500-mile, intermediate range ballistic missile (IRBM).

In an address prepared for the American Ordnance Assn., Medaris dealt obliquely with the recent order by Defense Secretary Wilson, assigning operational use of the weapon and later financial support to the Air Force. He took no direct issue, but did make these points:

1. That the U.S. Army moved into the ballistic missile field 12 years ago, when the Germans demonstrated the value of the V2 weapon, and that a year ago the Army gave the IRBM program top priority.

**Gained Much Time**

2. Using elements of the 200-mile range Redstone ballistic missile as a forerunner of Jupiter, "We have gained a very considerable time and reliability advantage by flight testing essential Jupiter components."

3. The Defense Department recently ordered that operational use of the IRBM be carried out by the Air Force and that, starting next July 1, the Air Force would provide money support for the development program. (The Air Force also has been assigned an IRBM development project, in addition to its 5,000-mile intercontinental ballistic missile program, to which it has given first priority.)

4. "The Army has a long history of serving others than itself; we have no predilection about whom we serve. If budgetary strictures dictated the decision, existing resources and demonstrated achievements must weigh

## SUSPEND TALKS ON NEW BASES

MANILA, Philippines (AP) — Negotiations on expansion of U.S. military bases in the Philippines were suspended Wednesday. No definite date was fixed for their resumption but President Ramon Magsaysay's office said it expected the talks to begin again "after the Christmas season."

The statement from the President's office said both sides still hoped "to arrive at an agreement satisfactory to both countries."

U.S. Minister Horace Smith told a session of the two nations' negotiators that the special American representative at the talks, Karl R. Bendetsen, and his advisers would leave today for Washington.

The four-month-old talks were stymied almost from the start on the issue of legal jurisdiction over criminal cases developing within U.S. military installations in the islands. A two-week recess was called because

heavily in any determination of future developmental assignments.

5. "The exceedingly rapid advance of science and technology, not confined to the United States, requires that today's concepts be translated into deployed weapons in an absolute minimum of time."

## REPORT UNREST AMONG YOUNG RED STUDENTS

LONDON (AP) — Reports of unrest among young Soviet students and workers, sparked by a growing disillusionment with Communist doctrine, reached London Wednesday.

There was no evidence that the reported discontent was anything like that which led to the students' rebellion in Hungary. But it apparently is causing concern.

**Given Manual Work**

There was no official confirmation of the reports. But they were given added weight by Moscow radio broadcasts — quoting Soviet journals—which added up to the same thing: a deep-seated restlessness among the younger generation.

The Daily Mail said in a dispatch from Moscow that "more than 100 students at Moscow University have been expelled during the past two months for criticizing and taking part in demonstrations of that issue Sept. 24."

The Philippines contends its courts, not U.S. military courts, should have jurisdiction.

## Swank Beach Club Damaged By Blaze

LONG BRANCH, N.J. (AP) — A wind fire swept through part of the Swank Ocean Beach Club early Wednesday doing an estimated \$25,000 damage.

Destroyed in the two-hour blaze were a row of bathhouses, cabanas and a boardwalk. The three-story main building of the club was untouched.

All nine Long Branch fire companies answered the alarm when a caretaker's daughter, Marian Sesito, spotted the flames about 2:30 a.m. They battled the fire for two hours.

A brisk northeast wind carried red hot cinders as far as the roof of the Long Branch Historical Museum, a quarter mile away.

HARRISBURG (AP) — The Democratic minority members of the House and Senate will hold their organization meetings here Monday, Dec. 17.

Sen. Barr, Democratic state chairman, said Gov. Leader will be invited to speak to the senators at 1 p.m., and to the representatives an hour later.

## GOP Chairman's Mother Expires

WASHINGTON, Pa. (AP) — Mrs. Charles Bloom, mother of Republican State Chairman George I. Bloom, died early Wednesday at her home after an extended illness. She was 83.

In addition to her son, George, she is also survived by another son, I. C. Bloom, a Washington attorney; a sister, Mrs. Ida Bloom, of Los Angeles, Calif., and three grandchildren.

Mrs. Bloom was a member of the Beth Israel Synagogue and the Burgettstown Chapter of the Eastern Star.

Private funeral services will be held today at 2 p.m. with burial in McKees Rock Cemetery, near Pittsburgh.

## Rip Van Winkle Couldn't Sleep with Nagging Backache

Now You can get the fast relief you need from nagging backache, headache and muscular aches and pains that often cause restless nights and miserable tired-out feelings. When these discomforts come on with over-exertion or stress and strain — you want relief — want it fast! Another disturbance may be mild bladder irritation following wrong food and drink — often setting up a restless uncomfortable feeling.

For quick relief get Doan's Pills. They work fast in 3 separate ways: 1. by speedy pain-relieving action to ease torment of nagging backache, headache, muscular aches and pains. 2. by their soothing effect on bladder irritation. 3. by their mild diuretic action tending to increase output of the 15 miles of kidney tubes.

Find out how quickly this 8-way medicine goes to work. Enjoy a good night's sleep and the same happy relief millions have for over 60 years. Ask for new, large size and save money. Get Doan's Pills today!
